K.E. FAMILY LIFELINE

Happy New Year dear Brethren!

I hope you all are doing well and that 2026 is off to a great start for us all. I also hope you are enjoying the unseasonable warm temperatures we have now, as I know I am as well. Anyway, what a blessed and wonderful life we all have as followers of God and as a part of Gods beautiful family.

I am excited about the many great things going on in Africa right now. We have so much to be thankful for as our schools continue to train men to preach the Gospel. We also have some new classes starting in Kenya and Zambia in February. Lord willing Trey and I will be able to travel to Zambia and be with our brethren in Ndola for the school opening. We will then travel to Livingstone to spend some time at the school there. We are also excited because brother John and Tiffany Sanders will be joining us while in Livingstone. I know God will bless us with a wonderful and productive time. Our God is good!

I am also happy to report that our print shop in Livingstone is doing well. So far we have printed several text books and some other materials. We are excited about the future of the good work that comes from our print shop. I know God is going to richly bless our overall work in Africa through these printed materials we are able to make. Please pray for the continued success of this work.

Let me also ask you all to be praying as we come upon another court date scheduled in Uganda. Hopefully on January 16 we can finally get a ruling on the case concerning our school there. Please keep these needs in prayer also.

Finally, let me remind you that many of our number are still dealing with health issues, upcoming procedures and test as doctors try to figure out what is going on with them. Please read over the prayer list and always keep these individuals and their needs before God's throne in prayer.

Well, I look forward to seeing you all tomorrow night for our mid-week service. I know you will want to be there and ready to give God your very best. May God bless us all as continue to put Him first and as we do His will in all things.

Elders’ Corner:

Greetings brethren,
We hope the New Year has been kind to you. I know many have been dealing with seasonal illnesses and mala-dies. It was good to worship our Lord this past Sunday on the first Lord's Day of 2026. Our God has blessed us with another year of life; let us all endeavor to be good stewards and make the most of it. We read in Jeremiah 23:18 “For who has stood in the counsel of the Lord, And has per-ceived and heard His word? Who has marked His word and heard it?” As we begin a new year, I ask you “How of-ten do you perceive, mark and hear the word?” Daily? Just on Sundays? Twice a week? We were encouraged by those who completed their daily Bible reading last year. We ap-preciate your dedication each year to make sure we make reading our Bibles a priority. For many years our sister Edith oversaw this effort, and Julie Medley has picked up the mantle to continue this work. We encourage everyone to resolve to read their Bible through in 2026. There are signup sheets in the building for those wishing to take part.

Our annual Chili Cookoff and Game Night will take place Friday, January 16th at 6 p.m. in the Fellowship Hall. There is a signup sheet on the foyer table for those who are bringing chili, desserts, etc. If you haven't attended in the past, we encourage you to do so. We will be sharing Christian fellowship, food and fun.

Our first Men's Breakfast of 2026 will take place this Sat-urday at 8 a.m. in the Fellowship Hall. You can sign up for the breakfast on the table in the foyer.

Remember those who are dealing with health issues in your daily prayers. Herman Cummings sees a specialist this week for ongoing pain issues. Becky Pool is having tests next week and Marissa Scharold and Sylvia Wood are having surgery. Kimmy Welch has an appointment next week as well to address pain and health problems. The Lees and Martins continue to struggle with health issues. Several have lost loved ones recently. Keep each of these in your prayers.

We remind you that our periods of organized worship and study are a time of sacrifice and adoration to our God; as well as an encouragement to our fellow Christians. Exam-ine your conduct and make sure your focus is on our Heavenly Father and that you are not distracting those around you.

We look forward to seeing you at our next scheduled as-sembly.

David and John
