Ray's Remarks:

Hello dear brethren!

I hope this week finds you well and that you are staying warm with these frigid temperatures. The snow sure was beautiful as it came down on Sunday. I just love the way it blankets the earth and makes everything look so pretty and clean. It's hard to believe we have had these temperatures below 0 for so many days. However, we are a blessed people and with all of our modern conveniences and blessing we really don't have much to complain about.

I want to welcome the Lawrence family to Kansas Expressway and we look forward getting to know Matt, Liz, Grace and Jacob.

I want to encourage us all to remember our family in prayers who are dealing with continuous health problems. We are always thinking of brother John Martin and the Lees, but we have many others who are dealing with health trials as well. Let's keep them all before the throne of God. Also remember that brother Gary will be having his eye surgery on Wednesday morning. Let's all pray that this go around will be successful and get his vision back to normal.

I am really looking forward to the chili supper coming up this Friday. It is always a great time of fellowship and fun with lots of good food. I hope you all will join us this year to make this time a great success. I hope to see you all there.

Next Tuesday classes resume after the holidays, at the Zambia School of Biblical Studies in Livingstone. Please keep these good brothers in your prayers as the students return on Monday and as the teachers continue the good work they are doing. God is really blessing our work together in Zambia. How exciting it is to see even more men trained and furthermore even more having the opportunity to hear the Gospel of Jesus Christ.

I look forward to seeing you all on Wednesday. Please stay safe and warm on these cold days. May God bless us all as we continue to do His will and follow His perfect word. I love you all.

Elders' Corner:

The New Year is here and many challenges lie ahead as well as many blessings. The Hebrew writer said: “And let us consider one another in order to stir up good works.” Just a few words of encouragement will help us all to make this year a special year of renewed commitment to the Lord and His work. So, may God bless us all with a greater desire to improve in our service to God and to one another. It will start with our commitment to the task!

We are so pleased that the Lawrence family placed their membership here at Kansas Expressway. Matt & Liz have two teenage children, Grace and Jacob. Please meet them, get to know them and welcome them!

Remember brother Gary Dalton with prayers concerning his upcoming eye surgery. It has been over a year-long struggle dealing with a serious eye condition which included several surgeries. Others are listed in our weekly report who have been blessed with improvements in their health. Don't forget to look at the lists and remember these beloved Christians in your prayers. Ruth Sullins is getting close to the birth of their second child. Remember her and Trey during this special time of their lives.

The "Chili Cookoff" will be held this Friday night at 6:30 followed by a game night. Come and enjoy the chili and the time we will have together. Also, the Men's breakfast for this month will be Saturday morning at 8:00. Hope to see you there. If you haven't signed up, please do so tonight.

Special thanks to our youth for picking up trash on our property last Sunday. Thank you Matt for organizing the cleanup. We have a great group of young people!!!

BIBLE READERS: The Bible reading chart is up. Don't forget to sign up so your name can be added to the chart. Some of our youth are getting involved. When we get into the Word of God, it gets into us.!

Hope to see you all at all our times of Bible study and worship. Why not make a commitment to not miss anymore of the opportunities given to Worship God and Study His Word.

Jerry, John and David
