K.E. FAMILY LIFELINE

Hello dear brethren!

I hope your week is going well and that you are well blessed in the service of the Lord. I also hope we are all taking advantage of every opportunity available to do God's will and to share it with others. What a privilege it is to be a child of God and to strive to live according to His perfect will.

It's hard to believe that Trey and I will be headed to Africa in about two weeks, but the time has snuck up on us. We look forward to getting a new class started in Ndola and to visiting with and encouraging the current class in Livingstone. We are also excited to have John and Tiffany join us to see the work and to help out with some teaching. In fact, sister Tiffany will be teaching a Ladies' Day on the Saturday we are all there. Please keep us all in prayers as we travel and pray that our time in Zambia might be prosperous and beneficial in God's Kingdom there.

Let's continue to remember those of our number who have special needs in our prayers, especially sister Sylvia as she recovers from her knee replacement surgery. We hope that she recovers quickly and that she is back with us very soon. We also need to continually remember sister Carolyn Lee and brother John Martin. May God give them all healing, comfort, strength and peace!

I heard today that we might have snow this weekend. That sounds very exciting to me. I do not necessary want any ice or freezing rain, but hopefully we can have some beautiful snow to make us all feel like we are finally in winter. I always love the verses in the Bible that talk about the snow. My favorite is found in Job 38:22, when God asks Job the question, "Have you entered the storehouses of the snow?" WOW! In such beauties of nature we are reminded of the wonder, power and magnificence of our God. What a truly awesome and wonderful God we serve! Hopefully we all learn the important lesson from Job, that we all need to fully know, accept and submit to God's Will!

I look forward to seeing you tomorrow night for our mid week service. Until then put God first in all things. I love you all!

Ray Sullins

# Elders' Corner:

Greetings brethren,

We hope this message finds you well. It is hard to believe we are more than half-way through January. As I write this, I am reminded of the fleeting nature of life, and the ever-increasing speed with which “life” passes us by. James wrote “For what is your life? It is even a vapor that appears for a little time and then vanishes away.” James 4:14 Cherish, embrace and enjoy life; but remember our goal, our reward is in the next life.

“Thank you” is in order to Andy and Stephanie Heavin and all who helped make the Chili Cookoff a success last Friday evening. It was a fun evening of food and fellowship and was well-attended. [Congratulations](#) to the winners and thanks to all who brought chili and side dishes! We also are appreciative of Teresa Hausladen for organizing this year's Sweetheart Banquet. If you would like to help, there will be a meeting after morning service this coming Sunday.

Sylvia Wood is recovering from her knee surgery at home. Marissa Scharold is also home recovering from her surgery last week. Carolyn Lee was moved to Maranatha for rehab last Friday and is in Room 121. Becky Pool has been diagnosed with MS and is exploring treatment options at this time. John Martin and Kimmy Welch continue to struggle with health issues and Herman Cummings has started physical therapy for his pain issues. Please remember these and all on our prayer list in your daily prayers. Phone calls, cards and visits would be appreciated.

It's not too late to sign up for our 2026 Bible Reading event. Signup sheets or located throughout the building. Make an effort this year read and study the entirety of God's Word. We are in the process of finalizing our Membership Directory; if you have a new address, phone number or email, please let Julie know so we can get it in the directory.

We are privileged and honored to serve as your elders here at Kansas Expressway. We appreciate your willingness to serve in the Kingdom. We look forward to seeing you at our next scheduled assembly.

David and John
