K.E. FAMILY LIFELINE

Greetings from Atlanta!

I left Springfield today around 12 and I am now in Atlanta waiting for the long flight to Johannesburg. Trey was actually unable to come with me because his passport will expire in about 2 months. Many of you may not realize but there are tons of rules for international travel and every country requires different things, even to be able to board the first flight. The air-

lines make sure your documentation is in order so that you don't get to a country and then are refused entry. Anyway, I will miss having Trey with me, but the work must go on. I am looking forward to John and Tiffany joining me in Livingstone next Tuesday. Please keep us all in your daily prayers as we journey that we might have a very safe, smooth and fruitful trip for the Lord.

I talked with Webby the other day in Zambia and it sounds like everything is ready for the new class in Ndola. I am excited to see the new class of 18 men start their training. Our school in Ndola is proving to be one of our better schools. They are so diligent in their work and they are really busy in the training of men to preach, as well as in evangelism. The Lord is doing mighty things for His kingdom in Northern Zambia. We are so thankful for the good work they are doing.

I have also almost got everything set up for our time in Livingstone. We hope to spend a lot of time with the students, the brethren, and in visiting local congregations. Please keep our time in Livingstone in your prayer also that we might get a lot done for the sake of the Lord.

We praise God that Stowan Hass was baptized Sunday night. We are so proud of Stowan. I know the angels in heaven rejoice along with all of us in this most important decision. May God bless him with a wonderful life of faithfulness.

Well, Lord willing by the time you get this I will be safe in Johannesburg and maybe even Zambia. I know God will bless and prosper my way for Him as he always does. We certainly serve a loving and wondrous Creator! I love you all and thanks for the prayers.

EAGLES; THEY WILL RUN AND NOT GROW WEARY,
THEY WILL WALK AND NOT BE FAINT. ISAIAH 40:31**

Elders' Corner:

Greetings brethren,

We hope this message finds you well. We are excited to announce that we have a new brother in Christ. Stowan Hass was baptized for the remission of his sins and added to the church Sunday night. We rejoice with Stowan and his family. Please welcome Stowan to the family here at Kansas Expressway.

As many of you have heard, Trey was not able to accompany Ray on his trip to Africa this week. Keep Ray in your prayers as he travels to Ndola, Zambia to help start a new class of 18 students. He will then travel to Livingstone to teach and encourage the brethren there. John and Tiffany will be joining him during the trip, with both teaching classes to the brothers and sisters in Zambia. Pray for their safe travels and that the church will be strengthened there.

It was certainly good to see everyone Sunday after the weather impacted services last week. Many of you asked if we were cancelling services when the snow started coming down. While there might come a time when that call is made, our position is that we will always be open for a Lord's day worship assembly so long as someone can make it to the building and conduct services. We certainly understand many cannot or should not get out when inclement weather hits us. We understand this and encourage everyone to use your best judgment about whether travel is advisable. Remember you can always join us online via YouTube or Facebook.

There is a list of needed pantry items on the foyer table; items can be left on the cart in the foyer. The Men's Breakfast is coming up on Saturday, February 14th at 8 a.m. There is a sign up sheet on the foyer table. The Sweetheart Banquet will take place on the evening of February 20th in the fellowship hall. If you can help or have questions, please see Teresa Housladen.

It was good to see Sylvia Wood with us Sunday morning after her knee surgery. Mary Patchell, Marcella Wake, and Ken Lee are all battling seasonal illnesses. Herman Cummings is continuing his therapy, while Becky Pool and Kimmie Welch are still dealing with ongoing health issues. Please keep all of these in your prayers.

Finally, all of you should have received either a text message or voicemail on Saturday, January 24th regarding the weather and services. This is the new system we have to communicate with our members. If you did not receive a text or call, please let Trey or one of the elders know.

Thanks for all you do here at Kansas Expressway. We look forward to seeing you at our next scheduled assembly.

David and John
