Ray's Remarks:

Hello beloved brethren,

I hope your week is going well. I do miss you all and think of you often. It's hard to believe we are already in the month of February. This year is already moving quickly and it seems like a lot has happened already this year. I hope your year is off to a great start and I hope you're giving the necessary time to God each and every day. We certainly owe God everything, as He has and continues to bless us in so many ways.

I was sad to hear that dear sister Marcella is still not better and now has Pneumonia. Let's all say some extra prayers for her that she might recover quickly and be back to normal soon. Also, keep my mom in prayer. Although she has improved a little, she is still not back to where she needs to be. We have others like John and Judy Martin, as well as Ken and Carolyn Lee. Let's keep all of these and others on the prayer list before God's throne in prayer.

We also rejoice that Robin Kidwell has found out that she does not have ALS and instead something that is treatable. Praise be to God. We are so happy to hear this and rejoice with brother Tim and the brethren in Branson. Please continue to pray for her.

Well today was a great day here in Ghana. We began the fifth (Epsilon) class of the students here at the Missouri Institute of Biblical Studies, Ghana. We had 10, of the 15 students expected, present today for orientation. It was a great day and everyone seemed to really enjoy it. I posted some pictures on Facebook if you're interested. The picture below is of the new students and one of our brothers, Williams and myself. Please keep these men in your prayers as they have a challenging two years ahead of them. With God's help they will endure and see it through.

I will only be here a couple more days before I leave Ghana for Kenya this Thursday. After an overnight flight I arrive in Kenya on Friday morning. Please keep me in your prayers for a safe journey and that my work over here might be successful, as well as a continued blessing for the cause of Christ.

I love you all and miss you. Lord willing ill be home in less than two weeks now. God bless!

Elders' Corner:

Greetings brethren,

It is a privilege to work alongside you in the Kingdom as we strive to be “good and faithful” servants. We appreciate your willingness to be involved and to answer the call. Our goal is that we may all one day receive our eternal reward in Heaven.

We were encouraged by sister Edith Sullins' response Sunday morning. Remember her and Jerry in your prayers as she continues to struggle with her health. Edith received good news from her blood tests recently and hopes to finish up her cataract procedure later in the month. Marcella Wake was back in the emergency room last weekend with shortness of breath. Another visit to the E.R. revealed she has pneumonia on top of her bacterial infection. John Martin was also hospitalized recently and is now home. Richard Medley will be having shoulder replacement surgery this Wednesday. Gary Dalton is recovering well from his foot surgery and may not need the oxygen therapy they had scheduled. Please make a special effort to remember these, as well as all on our prayer list, in your daily prayers.

Ray continues his work in Africa at the schools in Ghana and Kenya. Keep him in your prayers so that he will have a safe and productive trip. He is scheduled to return on February 14.

The Men's Breakfast will take place this coming Saturday at 8 AM in the Fellowship Hall. We had to cancel because of weather last month so please try to attend. Good food and fellowship will be shared by all. There is a signup sheet on the foyer table. Also, our annual Sweetheart Banquet will be on Friday, February 21st at 6:30 PM. Invitations have gone out, you can RSVP by placing your invitation in the basket on the foyer table.

We are in the process of finalizing our Membership Directory and updating our member photos. Please let Julie know if you have any changes to your information and see Bill or Julie to have a new picture taken.

We look forward to seeing you at our next scheduled assembly.

David, John and Jerry
