Ray's Remarks:

K.E. FAMILY LIFELINE

Hello dear brethren!

I hope you all are having a great week. What a beautiful week of weather it has been. And who would have thought 60 to 70 degree weather after days and days of around 0. Anyway, it sure is nice to see the sun and it makes us all ready for the spring weather to be here. However, we better remember where we live, because chances are it's going to get cold again before spring actually gets here.

Let me say Thanks to all of you who have been praying for my mom. She is now in rehab and doing somewhat better. She still has a ways to go, but we are thankful for the improvement and it seems like she is almost over the RSV. We have others who are still struggling with their health, in particular, sister Marcella. She continues to have some infection that medicine has not helped with yet, however we are thankful that the doctors are still working with her and Lord willing, soon she can get back to her normal health and join us again for worship. We certainly miss her very much.

We also have others who are still dealing with health issues. Please make sure and pick up the prayer list and keep all of these individuals and their needs before God's throne in prayer.

I can hardly believe that we are almost through the month of February 2025. Where have the last two months gone? However, what a great year it has been so far and so many wonderful things continue to take place for the glory and sake of God. I continue to be thankful for our family at Kansas Expressway and their love for God and His word. We are so fortunate to be a part of a family that really cares about what God says and who want to put Him first in all things.

We are also blessed to be involved in so many great works here and in Africa. In Zambia, a new class of 27 are training to become Gospel preachers. In Ghana, another 11 started their studies. Not to mention those in Ndola, Zambia and in Kenya who are now in their second year of study and who are doing well, another 29 in total. Yes brethren, we are well blessed to be a part of such wonderful things happening in the Kingdom of God.

Well, I hope to see many of you tonight. I love you all and God bless!

Ray Sullins

Relocated:

Matt has taken a new job and we will miss them.
Their new address is:
Matt, Liz, Grace & Jacob Lawrence
14656 Dees Road
Elk Creek, MO 65464

Elders' Corner:

Greetings Brethren. We read in Psalms 104:19 that
God has "appointed the moon for seasons; the sun
knows its going down." We certainly have seen God's
handiwork with the seasons and weather the past
few days. From several inches of snow, to negative
temperatures, to summer-like weather approaching
70 degrees, we see first-hand the might and wonder
of God's creation.

We are saddened to lose the Lawrence family from
our midst; Sunday was their last time with us before
they relocate to the Mountain Grove area. We love
and appreciate them and will miss them. We wish
them the best and will provide their new address
once it is available.

We continue to have many of our number who are
dealing with both seasonal ailments and serious
medical conditions. I was out the last week with
cough and a fever and know many of you have expe-
rienced something similar. On a more serious note,
please keep sister Edith Sullins in your prayers. She
was admitted to the hospital Saturday with RSV. As
I write this she will be there until at least Tuesday
and possibly Wednesday. Also remember sister Mar-
cella Wake as she deals with ongoing respiratory is-
sues and Richard and Gary as they recover from re-
cent surgeries. I was pleased to hear that John and
Judi Martin were here Sunday, as well as the Lees
and Mildred Riley.

Please make note that our Sweetheart Banquet has
been rescheduled to this Friday, February 28th at 6:30
PM. There will also be a workday at Happy Hollow
this Saturday, March 1st at 9 AM. Please see Brent
with any questions. Finally, remember to give Julie
any updates to your directory information and see
Bill or Julie if you haven't updated your photograph
in the foyer.

Thank you for all you do for the congregation at Kan-
sas Expressway. We appreciate it and look forward
to seeing you at our next scheduled assembly.
