K.E. FAMILY LIFELINE

Hello beloved brethren,

I hope your March is off to a great start! Sunday was a great Lord's day and although we had a lot out due to sickness it was still a great day of worship and Praise to our God.

It was great to have John and Tiffany back with us safely this past Sunday. Hopefully soon we will have an update on the trip to present to our K.E. family.

As you know we have a lot of family who are still dealing with some series health issues. There has also been a tremendous amount of seasonal sickness. Please keep them all in prayer. Most of you may know by now but our sister Mary went to the emergency room Tuesday but seems to be recovering well. They are still trying to figure out what her problems are. Please keep her in your prayers as she get her strength back.

Cindy's mom Shirley, also had some chest pains earlier in the week and ended up in the emergency room on Tuesday. Fortunately, everything checks out ok so far, so she is back at home and still doing well. She is seeing a cardiologist for more follow up.

We are only about a month away from our BIM Lectureship in April. I hope you all are making plans to be a part of this. Remember this year we are trying something different and the lectureship will be on Friday, Saturday and Sunday. It's going to be a great time of study, encouragement and fellowship. I hope you will all be present for every service.

By the way, I know of at least 6 baptisms last week in Kenya, not to mention other places in Africa where our graduates are. One really exciting restoration was an older man who had obeyed the gospel back in 2000, but had fallen away in to denominationalism. Through the efforts of our graduates he has repented and turned back to God. Continue to pray for all the great work going on in Africa through our graduates.

Remember that tonight we will have the privilege of gathering together to study God's Word and to worship Him. I hope to see you all there!

Elders' Corner:

--Greetings KE Family,

It hard to believe Tiffany and I have been back for about a week now. It was truly a blessing to worship and visit with our KE family this past Sunday. I know we had several out due to illness, please look around and take note of your fellow brothers and sisters who are missing, and make an effort to let them know they were missed. As Ray has mentioned already, we had a very successful trip to Zambia, as we had a chance to meet the director and instructors at the preacher school. It was a blessing and a privilege to address the preacher students in three different chapel talks to begin their school day. Tiffany was able to conduct a Ladies Day, with more than 80 ladies in attendance. It was a wonderful day of teaching and encouraging the sisters from that area of Africa. I pray the Lord will bless us with another opportunity to return in the future.

I heard the Sweetheart banquet was an enjoyable evening, thanks to Theresa and the others who planned and organized the event, as well as the youth and adults who served at the banquet. We have several folks who are working in various capacities to keep the church business moving forward, and we thank all those who are lending a hand, such as Mark who continues his work as treasurer keeping the bills paid, Seth who provides and organizes security for the building and us as we attend services, Steve who takes the lead for the congregation in providing benevolence to those in need, and Glen who has been tackling several projects around the building and grounds, and Nick who organizes the men to serve each worship service along with keeping the records of attendance. We also thank our ministers for their work at the church, feeding us with heavenly bread through sermons and bible classes, but also for the work Ray does to direct the BIM preacher school as well as all the schools in Africa along with assisting Glen with fixing and repairing things, dealing with various other tasks that need doing. Trey continues to assist with the on-line work of streaming our services live as well as maintaining our on-line websites. Brent continues his work with our youth, organizing both services, spiritual focused, and fun focused events for them to participate in. I haven't even mentioned the many of our number who spend time studying and preparing to teach bible classes, those who spend time visiting and encouraging our family, those who share a meal during a time of need or just have someone over to share a meal with them in their home. There is so much work we could be doing, my prayer is that you are finding those in which you can use your time and talents for the Lord, for the edifying of the body here. If you find yourself asking, how can I help, please reach out to one of us elders, or the deacons and ministers and we would be happy to find ways in which you may help.

May the Lord keep us until we meet again,

John and David
