Ray's Remarks:

Hello brothers and sisters,

I hope you all are having a blessed week in service to the Lord. Remember, every day is a day to give God the glory and to help others to know Him through our daily actions and words.

Cindy and I are going to be heading to the far west this week to see Chase and Trinity. I have been out to Kennewick before when another of our graduates were there, but Cindy has never been there, and she wanted to see where the kids live and we wanted to see how things are going in their new work. Chase and Trinity really seem to be enjoying their new work and life in Kennewick. I know they are doing a great job with the congregation there and that the Lord's work continues to grow in Kennewick. Please keep them and this good work in your prayers. As you can imagine, in many ways the far west in like a mission field and needs a lot of work for the sake of the Kingdom of Christ. It is great to have young couples like Chase and Trinity who have accepted the challenge of doing the work of the Lord in Washington. I know they will continue to help in making a difference for the cause of Christ there. By the way, we will be back on Saturday so Lord willing we will see you next Sunday.

I wanted to take a moment and say that brother Casey is doing a great job with advertising the school and getting the word out for more potential students for the BIM in the coming years. We are very blessed to have Casey and Molly with us, as well as baby Cassie. The work they are doing today will have a great impact of the future of the Global schools, as well as the Bible Institute of Missouri. Please keep them in your prayers as they continue to travel around and present the global work to many congregations.

As always, let me remind you that we have a lot of family who are still struggling with health issues. Please always keep these individuals before the throne of God in prayer that they might have healing, peace and comfort from Him during these times.

Well, I hope you all have a great week and Lord willing we will see you next Sunday. God bless and I love you all.

Elders' Corner:

Greetings brethren. It is a privilege to work alongside you in the Kingdom as we strive to be “good and faithful” servants. We appreciate your willingness to be involved and to answer the call. Our goal is that we may all one day receive our eternal reward in Heaven. It was good to see all of you this past Sunday; we had many visitors and a good attendance. We encourage all of you to take note of our visitors and make a special effort to meet and visit with them. If possible, ask them to fill out one of our visitor cards if they haven't already. This will allow us to follow up on their visit.

The Men's Breakfast will be held this Saturday morning at 8 a.m. in the fellowship hall. We encourage all the men of the congregation to make plans to attend and take part in good food, fellowship and Bible study. It is also an excellent opportunity to introduce your friends and neighbors to the Lord's church. There is a signup sheet on the foyer table. We will be recognizing our graduates next month; please make sure to notify Julie if you have a graduate to honor. Our monthly Game Night will take place on Friday, March 20 at 6:30 pm in the fellowship hall. Make plans to attend and enjoy an evening of camaraderie with your church family.

We look forward to Ray and John's report on the works in Africa this coming Sunday afternoon. It will be good to hear an update on the preacher training schools supported and overseen by our congregation. Remember that our Spring Bible Institute of Missouri Lectureship will be starting in a little over a month. There are informational flyers available to distribute to your coworkers and neighbors. We are experimenting with a new format this year; the lectureship will run from Friday evening through Sunday afternoon.

Remember our sick in your daily prayers. Mary Patchell was hospitalized recently and is recovering from her illness. Herman Cummings, Carolyn Lee, Shirley Blades, John and Judi Martin, Odessa Johnson and others are all dealing with ongoing health problems. Scott Marriott's mother's health is failing and she is facing end-of-life issues. Remember Scott and his mother in your prayers.

If the elders can assist you with any need, do not hesitate to contact us. We look forward to seeing you at our next scheduled assembly.
