Ray's Remarks:

K.E. FAMILY LIFELINE

Hello Brethren,

What an exciting week it is! The first half of the auditorium is now finished and this evening (Tuesday) we will be putting the pews back and moving the pews from the other side. It is looking great. And a big THANK YOU to all of you who are helping with this preparation and putting pews back. It is great to see so many of our family willing to help as always and I know everyone is excited about the new carpet.

Hopefully by the end of the week we will have the auditorium done and back in order. We still have a lot more work that will be taking place around the building over the next several weeks. Please keep all of these good things in your prayers as God is in control of all things.

I hope to see you all tomorrow evening for our mid-week service. Let me caution you all to be extra careful moving around the building as pews will be in the way in some places. Thank you for your help and patience with these things. I love and appreciate you all. God bless!

MARCH 31ST-FIFTH SUNDAY SPECIAL CONTRIBUTION

To go toward our BUILDING FUND

Elders' Corner continued:

We will also be taking our three children with us and I look forward to introducing them to both mission work in Africa as well as our fellow brothers and sisters in Christ there in the Ivory Coast. Thank you for keeping us in your prayers. I thank God for each one of you here at KE, and I hope and pray we can do many good works together for the Lord, that others may glorify our Father in heaven. Look forward to seeing you next Sunday, Lord-willing.

John, Jerry and David

Elders' Corner:

Greetings church family,

What a great day of worship we had this past Sunday. I especially appreciated Trey's sermon on running the Christian race, a topic that I am very passionate about. I love to hear sermons on running and I love the comparisons the Bible makes between running and the running of our Christian race (I Cor 9:24-27). I hope this message finds each of you running well! It was also wonderful news that Jeremiah DeGraw was baptized last week. I hope that you will each encourage him as he starts his Christian race.

I want to thank all the men who helped this past week with moving all the pews so that the new carpet can be installed. Hopefully, all will go according to plan, and we could have the auditorium completed over the next week or two, and they can move on to the hallways and foyers. I also want to thank all those who have contributed to the building fund to make this possible. Whether it was additional donations earmarked for this purpose, or fifth Sunday contributions above the budget amount, you have been diligent with contributing to this purpose, and we hope you will be pleased with your investment in our building.

I also wanted to share some news about myself and our family. This summer, Tiffany and I will be celebrating our 25th wedding anniversary, and we have been blessed with an opportunity to travel to Europe for a few weeks this coming May. As part of those travels, we are also planning to fly to Africa and spend another week with our dear brother in Christ, Steve Healea, doing mission work in the Ivory Coast and working with a few congregations we had visited this past year. The timing of our trip did not afford us the opportunity to visit one of the preacher schools, so we made the decision to return to the Ivory Coast. I mention this to you because we will be missing four Sunday and Wednesday services while on our trip. I also mention this to you because I want to solicit your prayers for our works, that the Lord may find us useful to Him while on this Mission trip. Lord-willing, we plan to leave the evening of May 10 and return on June 5. We plan to be in the Ivory Coast from Tuesday May 21 through Tuesday May 28. Unfortunately, this means we will be missing the BIM graduation that Saturday, May 25. I hope the graduating students will pardon our absence. The Lord has been gracious to us, granting us this opportunity to labor in His vineyard.
