K.E. FAMILY LIFELINE

Hello dear brothers and sisters,

It is my hope and prayer that you are all doing well this week. I also hope you are giving God your best and striving to do His will in all things each and every day. You know we have every reason and every incentive to serve God and put Him first, for those who do such will be blessed now and eternally. Please continue to give God the number one place in your life!

This month we will have the opportunity to celebrate the accomplishment of many of our family members at K.E. as some of our young people are graduating from different schools. It is exciting to see these 5 young people as they continue to grow and become young adults. It is also a great blessing to see how much they all love God and how they are trying to serve Him with their lives. So I would like to go ahead and say a big CONGRATULATIONS to Josh Burgess who will be graduating from college. We have 4 who will graduate from High School: Cayden Green, Rheleigh Hass, Nolan Heavin and Audri Sanders. We are very proud and thankful for them all!

We are only a little over two weeks away from our Lectureship. This year is going to be a great one so I hope many of you will be present and support this good work. We are all a part of the work that goes on at the congregation here so please encourage our current students and our returning graduates by attending and growing together in God's Word. I look forward to seeing you all there.

I also wanted to say a big thanks to Julie for all her hard work in getting the membership book together again this year. It is a vital part of our work for updates, communication and to help people know about the things planned at KE this year. We appreciate all the hard work she does as our church secretary on a regular basis.

Well, I hope to see you all tomorrow night for our mid-week service. Make sure and put God first and be present and ready to give Him your very best. I love you all and God bless!

Elders' Corner:

Another month has past by and we are already one-fourth of the way through this calendar year. As Solomon in Eccles 3 stated, there is a time for everything under heaven. Spring-time is here, and that means it is time to celebrate with our youth who will be graduating this year, including four high school students, one college student, and three BIM graduates. Remember the graduation ceremony on April 12 after second services for the high school and college students as well as the BIM graduation that is Saturday May 23. As a church family, we are all excited for these individuals and their families, please make plans to attend these ceremonies if possible.

Along with those graduation ceremonies, we also have the BIM Lectureship that will be Friday April 17 through Sunday April 19. Come and support these current students as well as the faculty and former graduates as they feed us spiritually with their lessons about “Paul’s Questions to the Romans”.

Just beyond that, we have the Ladies Day on Saturday May 2. We encourage all the ladies to attend and not only be fed spiritually, but also fed physically and encouraged emotionally to be content in whatever situation you are in (Phil 4:11).

A time for everything under heaven. Spring is a busy time of year. With spring comes the time to plant our vegetable gardens in great anticipation of the harvest to come later in the summer and fall. I am always reminded of Paul’s words in I Cor 3:6 when he said “ I planted, Apollos watered, but God gave the growth.” Why not take an opportunity this spring to plant a few seeds about the kingdom and the gospel to those you come in contact with. You never know, someday your planting might be watered by another worker for the Lord and that leads to a harvest for the Lord- more souls added to the kingdom. David and I pray that we all might take some time to plant some seeds this spring. Maybe you can start by inviting someone to our Lectureship in just a few weeks.

Let David and I know if we can assist you in any way in your Christian walk with the Lord,

John and David
