BIBLE INSTITUTE OF MISSOURI-2026 LECTURESHIP

Paul's Questions to the Romans

April 17-19, 2026

Well this week has started off as a beautiful one. I hope all are enjoying the nice weather and all the sunshine. It certainly is beginning to feel like spring now and before you know it the summer will be here.

We also had a pretty nice weekend and I hope everyone enjoyed their time with family and friends. We had a great time with our kids and grandkids and we all enjoyed painting eggs, hiding and finding them and eating lots of candy. I hope you all had a great weekend as well.

As most of you know we are less than two weeks away from our BIM Lecture-ship. I know you will all want to be a part and to see so many of our graduates from the past. Please help us make this time of fellowship and spiritual growth profitable by all being present and ready to give God our very best. Thanks to you all in advance for doing your part to be present every opportunity you have.

Also remember that we will have a potluck on the 19th. This will give us all more time for fellowship as we will have quite a few visitors. Please make sure you bring enough food for yourself as well as for some others.

We have had a few things come up in Ghana that need to be addressed. I have not been to Ghana since early 2025 and have not seen the current class since. Anyway, we are dealing with some land and building issues which require us to be there in person. Because of this, Trey and I will be traveling to Ghana for only 10 days later this month, but this will give us plenty of time to do what we need to do while there. We will be leaving April 21 and will return May 1. Please keep us in your prayers as we continue to do what is necessary to supervise the schools that are under our Global work. God is continuing to bless all of our schools in Africa. Praise be to God.

Well, I hope you all have a great week and I look forward to seeing you all tomorrow night for our mid-week service. I love and appreciate you all. God bless!

Elders' Corner:

Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus. Finally, brethren, whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy—meditate on these things. The things which you learned and received and heard and saw in me, these do, and the God of peace will be with you. Philippians 4:6-9

For most of my life, this passage has been at the top of my list of “favorite” passages in the Bible. Time and again, I find myself returning to these encouraging words of Paul whenever school, work, life, family or even my Christian family have created times of doubt, struggle, or uncertainty. Whatever challenges you face, remember to take those requests to God and He will guard your hearts and minds and give you peace.

We have a busy few weeks coming up here at Kansas Expressway. Game Night is this Friday evening at 6:30 pm with our Men's Breakfast taking place Saturday morning at 8 am. Our Graduate Recognition will be this Sunday afternoon following our second service. Finally, our BIM Lectureship will start next week and run the 17th - 19th. Make plans to attend and invite your friends and neighbors.

Remember our sick in your prayers. There are many of our number who struggle with ongoing health issues and treatment.

We look forward to seeing you at our next scheduled assembly.
