Ray's Remarks:

Hello dear brethren from Atlanta!

Trey and I have started our journey to Ghana and we will arrive at the school

tomorrow afternoon, Ghana is also 5 hours ahead of us. Anyway, we got up about 3:30 this morning and headed for the airport. We are already worn out and the trip is just beginning, but anyway that is just a part of the process. We love you all and thank you for the continuous prayers for us while we are gone. Lord willing we will be able to get a

lot done while in Ghana and encourage the brethren while we are there. It has been about over a year since I have been to Ghana so I am excited about seeing my brethren there.

We certainly had a great Bible Institute of Missouri Lectureship this past weekend. It was so encouraging to see the good crowds we had and to have so many visiting with us. At any given time we had over 10 BIM graduates present at our assemblies and most of the time it was more than that.

On Saturday we had a great crowd for the BIM Open House. There were 48 present in total off and on throughout the morning. We also had over 20 present for the graduate seminar with at least 16 graduates. It was definitely an encouraging time for all and it was a great blessing to see that so many are still doing so well in the work of the Lord.

Sunday was also a great day with a wonderful potluck. Again, thanks to all who stayed and made this day such a great success.

It was also a great blessing to hear from 4 of our previous BIM graduates, as well as the three men who are about to graduate. They all did a good job. It is also a reminder to me that there are so many different workers in God's Kingdom and they all have an important role to fulfill in the Kingdom of God.

Anyway, please keep Trey and me in your prayers. We love and miss you all and Lord willing we will see you all in a few weeks. See you all on Facebook.

Hosted by Casey & Molly Rice
Boys bring drinks, girls bring dessert.

Elders' Corner:

Greetings brethren,

Our Annual Bible Institute of Missouri Spring Lectureship dealing with *Paul's Questions to the Romans* was a great encouragement. We deeply appreciate your commitment to supporting it as well as the many visitors who attended. We had 120 present Friday evening, 112 on Saturday evening and 165 present Sunday. It was good to see and hear many of our past graduates as well as our three second year students. The lectureship is an opportunity for you to see the fruits of our labors here at Kansas Expressway as we train men to proclaim the Gospel.

We want to remind you that food and drinks are not permitted in the auditorium, except for water and small children's needs. We have made a significant expenditure to replace our auditorium carpeting and we want to keep it in good condition for as long as possible. Members are bringing drinks into the auditorium that clearly are not water. We ask that you leave those drinks in your vehicle in the future.

Keep Ray and Trey in your prayers as they journey to Ghana to assist with the school there. They are due to return on May 1st. Marcella Wake was scheduled to have surgery related to her feeding tube this week but it was cancelled. She is still waiting on a new date for the procedure. Gary Dalton is recovering from bruised ribs associated with a fall. It was good to see John and Judi Martin this past Sunday, they both continue to struggle with ongoing health issues. Carolyn Lee needs our encouragement as she adjusts to her new care facility. Please keep these and all on our prayer list in your daily prayers.

A reception honoring Richard and Rose Mary Medley's 50th wedding anniversary will be held this Saturday in the fellowship hall at 2 pm. Please let Julie or Stephanie know if you will attend. Our Lady's Day is coming up on May 2nd, with the theme of *God's Recipe for Contentment*. Information is available on the foyer table.

We look forward to seeing you at our next scheduled assembly.
