Ray's Remarks:

Hello dear brethren!

It is great to be back home and it was wonderful to worship with you all last Sunday. Thanks for all the prayers and love shown to us and our families while we were gone.

Everything went well in Ghana and the work there continues to go great. The current students are excited about graduation in November and they are doing a great job in their studies and spiritual growth. I was especially excited to see our brother who is training from Liberia. He is the second Liberian we have trained and he is an older man. We are very excited about the great work he is doing and that he will soon return home and preach the Gospel in Liberia.

Our other 9 students are from different areas in Ghana. After this class graduates in November we will have over 50 graduates in Ghana and the surrounding countries. How exciting it is to see the Lord's work grow throughout Africa! Thank you all for your prayers and continued support of the works in Africa. God is doing great things through us in Africa and what a blessing it is to be a part of His Kingdom and this great work.

It is hard to believe that we are only a few weeks away from graduation at the Bible Institute of Missouri. On May 23rd we will all celebrate together the great accomplishments of Easton Hass, Isaac Humphrey and Coby Hicks. I hope you will all be present to celebrate this time with them as this is our work for the Lord. No doubt these men are going to do great things in the Kingdom of God. Please keep them all in prayer as they are finishing their studies and as they are looking for their place to serve God in His Kingdom. I wish them all the best in the future, as they give themselves to the work of the Lord.

Finally brethren, let me encourage us all to do our best for God each and every day and to put Him first in all things. Remember those who serve the Lord and put Him first and you will never regret it. I look forward to seeing you all on Wednesday as we gather to worship God. I love you all and God bless!

Pay Attention to Yourself

Today, it is nearly impossible to purchase any consumer good that does not display a warning on the label.

When it comes to warnings, the bible is not short in providing spiritual cautions for the follower of Christ. The term “take heed” appears some twenty-one times in the New King James translation of the New Testament. Other versions use the phrases “watch out”, “be careful”, and “pay close attention”, all preceding cautionary instructions for the Christian. Why all the warnings? A brief review of just some of the admonitions found in the Scriptures will help us realize the importance of paying close attention to ourselves and our spiritual well-being.

- Beware of Hypocritical Religious Behavior (Matt. 16:6)
- Watch that the Light in You Doesn’t Turn into Darkness (Luke 11:35)
- Beware of Materialism, Life Consist of More than Your Stuff (Luke 12:15)
- Pay Attention to Yourself and Forgive Those that Hurt You (Luke 17:3)
- Don’t Get Weighed Down by Wasteful Living and the Cares of Life (Luke 21:34)
- Be Careful that You Build on the Foundation of Christ (1 Cor. 3:10)
- Pay Close Attention to Your Standing Lest You May Fall (1 Cor. 10:12)
- Take Heed to the Doctrine of Christ that Saves You (1 Tim. 4:16)

“Watch therefore, for you know neither the day nor the hour in which the Son of Man is coming.” (Matthew 25:13)

Elders’ Corner:

Greetings brethren,

We read in Ephesians 1:3 that “Blessed be the God and Father of our Lord Jesus Christ, who has blessed us with every spiritual blessing in the heavenly places in Christ.” While the passage is short, it tells us much about blessings. First, the source of blessings is God, He provides them. Next, we see God provides us every blessing; not some, not most, but every blessing. We also learn they are spiritual blessings and that we can only get them “in Christ.” Let us remember how fortunate we are and give thanks to God every day for His bountiful spiritual blessings.

It was good to have Ray and Trey back with us after their trip to Ghana, we look forward to hearing their report. As you know, the area surrounding the building sustained a massive hailstorm last Tuesday. Our roof was damaged, as were windows, fascia and the AC units on the roof. We have contacted the insurance company and are in the process of getting a claim submitted. We will keep you apprised as we navigate the claims process.

Our Ladies’ Day was a great success last Saturday, with good attendance and encouraging messages. Thank you to all who were involved in organizing it. It was marred, however, by two vehicles getting windows shattered by a youth who lives in the houses south of the building. The police were notified, and with the help of our video cameras, they were able to determine who was responsible.

Sympathy is extended to the Clouse family in the passing of Harry’s brother, services were this past Monday. Remember them in your prayers, as well as Marcella Wake, John and Judi Martin, Carolyn Lee, Gary Dalton, Herman Cummings and others who are having with health issues.

Our Men’s Breakfast has been rescheduled to May 16. There is a sign-up sheet in the foyer. Our monthly Game Night will be next Friday, May 15th at 6:30 pm. Finally, our BIM Graduation ceremony will be taking place on Saturday, May 23rd at 2 pm at the building. Please plan to attend and support the young men who are going forth to proclaim the gospel.

Thank you for all you do here at Kansas Expressway, we are blessed to work with you.
