K.E. FAMILY LIFELINE

Hello dear brothers and sisters!

I hope and pray that you are all having a great week so far and that you are busy in the work of the Lord. It is so wonderful to have a good Christian family like Kansas Expressway. We are all certainly well blessed in this fact.

Today is the final day of classes and finals at the Bible Institute of Missouri. It is always hard for me to believe how quickly the years roll by and how fast each graduation comes and goes. How blessed we are to have been a part of over 50 men who have graduated over the years from the BIM. God certainly continues to bless our work together for Him here.

However, I am so excited about this Saturday and the fact that we will see three new soldiers enter the workforce. I know that all three are going to be a great blessing to the Kingdom of God and I hope that we all are praying regularly for each of them as they make some of the biggest decisions of their lives. I know they are very excited, but they no doubt are a little uncertain about the future. However, the one thing they and we all know well is that God will work all things for good to those who love Him and do His perfect will.

I hope you all are planning to be a part of the graduation this Saturday. I appreciate so much the hard work of all those who continue to make our school and these graduations a huge success. I appreciate Cindy organizing some of the ladies to plan and decorate for the reception. We have so many among us who are willing to help and be a part of the good things going on at K.E. Please make plans now to be with us this Saturday.

As most of you know we have a lot of our family who still need our continuous prayers. Remember Seth as they still are trying to get his blood pressure under control. Some are still recovering from sickness like Angi. We are thankful that brother John Martin is now home. Remember Judi Martin tomorrow as she has her surgery. Also keep sister Carolyn in your prayers. Sister Betty is doing better and is still at the Maples for rehab. As you know the list could go on and on. Please make sure to regularly read over the prayer list and keep these needs before God's throne.

Well, I hope to see you all tomorrow for our midweek service. May God bless us all as we put Him first in all things. I love you all!

Elders’ Corner:

Greetings brethren,

As I write this, it has been raining and storming since early in the morning. We read in Deuteronomy 32:2: “Let my teaching drop as the rain, my speech distill as the dew, as raindrops on the tender herb, and as showers on the grass.” When we see the rain, let us remember the admonition of Moses before his death. Just as the rain nourishes the plants, so God’s Word nourishes our soul.

The love and compassion present at Kansas Expressway continues to amaze us. In a span of barely a week, we were able to collect over \$2000 to assist the Hass family during Seth’s illness and absence from work. The care you exhibit for your fellow Christians makes us proud. Keep Seth and his family in your prayers as he navigates the coming weeks and medical follow-ups. We thank Hannah Kirkland for her efforts in organizing this effort.

Our Bible Institute of Missouri graduation is taking place this coming Saturday, May 23, 2026, at 2 pm at the building. The school is one of our main works here at Kansas Expressway. We encourage you to make plans to attend and show your support for the graduates and instructors. Easton, Coby and Isaac have dedicated two years of their lives to equipping themselves to proclaim God’s word to the world; surely you can dedicate a few hours to support them.

In addition to Seth, please keep Betty Layton in your prayers. She is in the Maples and has had a rough few days recently. Also remember John and Judi Martin, Carolyn Lee, Herman Cummings, Marcella Wake and all on our prayer list in your daily prayers.

We are privileged to lead you and solicit your prayers on our behalf. We look forward to seeing you at our next scheduled assembly.

David and John
