Ray's Remarks:

K.E. FAMILY LIFELINE

What a wonderful weekend we just had and what a blessing from God it was to celebrate with our new graduates of the Bible Institute of Missouri. Thank you all for being a part and encouraging them as they are about to embark on the next chapter of their lives in service to God.

The festivities start off on Friday, when we were able to enjoy a meal together with all of the graduates and their families. We had over 30 present and what a great time we had of fun, fellowship and celebration. All of these young men are from wonderful families and we are so thankful for the good job they did raising their sons. It just goes to remind us all that faithful children and those who are focused on God doesn't happen by chance. As parents we must be involved and in control of the process all along the way.

Saturday was the BIM graduation. At 2:00 pm we gathered to celebrate the great achievement of Easton, Coby and Isaac. There was a great crowd present of over 100 to be a part of this ceremony to honor our brothers, which included lots of family, friends and brethren. It was a wonderful time together.

We also enjoyed a beautiful reception organized by Cindy and she had a lot of good helpers in our K.E. family. Anyway, it was a great reception and everyone enjoyed their time together as we again celebrated with our dear brothers.

Again, I thank you all who were a part of this important time. We are so blessed to be a part of this great work to support our young men who are training to be laborers in the Gospel. I also wanted to thank all of our great instructors. They all are doing a wonderful job in helping to train these young men in the word of God. So, a big thanks to Dad, Trey, Brent, Cory and Steve. We are blessed to have them all as a part of our work.

Well, I hope to see you all at our mid-week gathering tomorrow. What a great time this will be for us to gather, learn and praise our wondrous God. May we all keep our hands to the plow and never grow weary in doing good. I love you all!

Elders’ Corner:

This past week, we enjoyed the Memorial Day holiday. This holiday was instituted to remind us of the men and women who gave their lives for our country, to protect us and the freedoms we hold dearly. Many decorated the graves of their loved ones, as they remembered the good times spent together during this life. This holiday is always a good time to remind myself of the importance of partaking of the Lord’s Supper, something we do each Sunday because of the example set for us in God’s word (Act 20:7). When Christ instituted the Lord’s Supper, He told his disciples to partake of the bread and the fruit of the vine that represented His body that would be sacrificed and His blood that would be shed for the forgiveness of sins (Matt 26:26 ff). Paul reminded the Corinthian church that when you partake, you should do so in the worthy manner, to remember what those emblems represented (I Cor 11:23). Our country instituted Memorial Day to remember those who have passed on before us. Christ instituted the Lord’s Supper to help remind us of the ultimate sacrifice He made on the cross for you and me. Let’s refocus our minds and hearts on what those emblems truly mean to each of us as a Christian this next Lord’s Day.

I continue to bring to your remembrance the names of those who are in need of prayers in our church family. Please continue to remember Seth Hass, that he might continue to see improvement after his recent stroke. Remember Betty Layton who had surgery not to long ago and is now in rehab. When we have gone by to visit Carolyn Lee, she continues to express how much she misses everyone. She is still in the nursing home at Springfield Villa. She would love for anyone to come by for a visit. Becky Pool continues to have some good days and some not so good days as she deals with her MS. Herman is still dealing with pain throughout various parts of his body. At this point in time, the shot he received has not seemed to make a difference. We are thankful Angi Moody is doing much better, and we praise God for the answered prayers. There are so many others listed in our bulletin, please take a moment to read about each of their struggles so you can approach God in prayer on their behalf.

God bless us all in His service till we meet again,

John and David
