Bulletin:

Ray's Remarks:

Hello dearly beloved,

I hope you all are doing well this week and staying out of the heat. It certainly had gotten hot all of the sudden, but I guess it is *unofficially* summer after all. We have also had plenty of rain, but we actually needed it. Anyway, we are certainly blessed to have all types of weather here in the Ozarks. As we all know, if you don't like the weather today, wait and it will be different tomorrow.

I wanted to say a big THANKS to all those who came on Monday to help with the Global Newsletter. We had a great group of our church family and we all were able to

finish in record time. Usually, the Hass family has been helping us and we appreciate them so much, but due to Seth's current health issues we needed you all to help out and you all certainly did. I am always impressed by the willingness of our family to help and to be involved. I love and appreciate you all. By the way we had a lot of fun as well. Again, Thank you all!

It's hard to believe but my camp session will start in a little under two weeks. I hope we have a great group

of kids this year to grow in the word of God with. We have a lot of great counselors and camp staff and we are excited about all the fun and fellowship we are going to have. Please keep our preparation and our session in your prayers that all may go well and that we might have a safe and prosperous session.

No doubt many of you have summer plans and travels in the near future. I hope everyone will have a fun, safe and prosperous summer. Others are on vacation now so let's be mindful of those who are missing from our services and keep them in prayers as they are away from us.

As far as our summer Africa trip. Dad and I will be traveling to Zambia and Kenya in July for two graduate seminars. We are still making preparations and have a lot more to do to get ready, so remember this good effort in your prayers as well.

Well, I hope you all have a great day today and Lord willing I will see you all tomorrow at our mid-week services. There is truly no greater place to be than with our church family worshiping God. May God continue to richly bless us all. I love you all!

FUN ACRE

Elders' Corner:

Hello brethren,

We hope this message finds you well. With the passage of the Memorial Day weekend, summer is “unofficially” here. And with summer often comes travel and vacations. We encourage you to not forget your Christian duty to assemble with the saints on the first day of every week, even if traveling out of town. Find a faithful congregation in the area you are present and worship with them. If all else fails, worship with us online via YouTube or Facebook. Take God with you on vacation. Heb. 10:25

We continue to be amazed at your willingness to “answer the call” for our 5th Sunday special contributions. You gave \$6,582.25 this past Sunday. Thank you. All amounts over our normal budget have been deposited into our Building Fund. While we are still dealing with the insurance company concerning the recent hail damage, there will undoubtedly be deductibles and other expenses we will have to cover.

Remember John Martin in your prayers as he is hospitalized with respiratory and infection issues. Seth Hass was also admitted to the hospital after passing out at home. Herman Cummings, Betty Layton and Carolyn Lee all are dealing with ongoing health struggles. Please pray that the answers to many of their health concerns can be discovered and they can receive appropriate treatments. Marcella Wake is scheduled for a procedure on June 9th, and Judi Martin is recovering from gall bladder surgery. Keep all these and all on our prayer list in your daily prayers.

David and John
