Bulletin

Ray's Remarks:

Hello dear brethren!

Here we are already in the month of June and 2024 is flying by. I hope you all are making the most of this year so far. I also think this summer is going to be a busy one for most as well. So keep busy, but within all your busyness remember to keep God involved as well.

We are only a few weeks away from my camp session at Happy Hollow. I am excited about this year's theme as we will be focused on the "Truth" of God's Word. I know we will have a great session and hopefully we will all grow a lot in the teachings of God.

The week after camp I will be leaving for Zambia. We will have a graduate seminar while there and expect over 70 graduates to return for this time of fellowship and growth. We are also going to have 9 of our previous graduates from Zimbabwe join us. I know God will bless our time together for His sake and I hope and pray that we will be able to encourage all of our graduates in Zambia to continue to stand strong in the faith.

A few days before I get back on July 12, Trey and Brent will be headed out to Ghana. They will be able to meet the current class. They will teach some in the school and also preach while there.

Then in the first week of August, we will begin our next class at the Bible Institute of Missouri.

I ask that you keep all of these things in your daily prayers that they might be a great success for the sake of God and His Kingdom. It is certainly a privilege to be able to serve God and grow in His Word over this summer.

Brethren, please keep our brother Wesley and Karen in your prayers. We know he is not doing well. There are many others in our family and on our prayer list. Please be praying for them also. I also ask you to continue to remember brother Williams Anarfi in Ghana as he is now in the ICU. Also pray for our Ugandan student, Raphael who is currently in Zambia studying. I might also mention that little Atticus is having some problems with reoccurring ear infections. Brethren, please pray for them all.

I hope to see you all this Wednesday for our midweek service. May God bless us and be with us all. I love you all!

Elders' Corner:

Greetings brethren,
We hope this message finds you well. It is a busy time here at Kansas Expressway. We are excited that Grace Lawrence made the decision to put on her Lord in baptism recently. If you have not already done so, please congratulate her and welcome her to God's family. We look forward to the return of the Sanders family this week after their extended absence. It was also good to see the Koontz family back with us last Sunday.

It was a blessing to see Ken and Carolyn Lee at services this past Lord's Day. Carolyn has struggled mightily with health issues and illnesses recently; their presence is proof that God answers our prayers. Please also continue to pray for Wesley Ewing as he faces serious health issues and struggles. Pray for his health, healing and comfort; and that Karen and her son, Brad will be strengthened as they care for him.

Remember that Ray's camp session begins in a little over a week at Happy Hollow. Keep Ray, the staff and the campers in your prayers. There will be cookout on Friday evening at 5 pm during the session and all are invited. Bring your chairs and a side dish or dessert and enjoy the evening. The Men's Breakfast will be this coming Saturday morning at 8 am, there is a sign-up sheet on the foyer table.

We will be having a men's meeting this coming Sunday afternoon immediately following our afternoon service. All men are encouraged to attend as we share our plans for the coming months, and look forward to hearing your ideas and concerns.

We deeply appreciate the works done by the members here at Kansas Expressway. May we continue to encourage and lift up one another as we all strive toward that eternal reward in Heaven. The elders look forward to seeing you at our next schedules assembly.

David, John & Jerry
