Ray's Remarks:

Hello beloved!

What a wonderful week at camp we are having so far. The weather has been perfect and even cold in the evenings. We have also had a little rain or the threat of it, but it has ended up just being a few sprinkles and showers. Overall, the weather has been a great blessing this year and none of our schedules have been affected.

We have a great group of campers and counselors. In total we have about 35 this year, which is down just a little bit, but we still are having a wonderful time and we are learning a lot about God and having lots of fun. I want to again say a big thanks to all those who are helping with camp this year. Without all the volunteers at our session we would not be able to have it. I do love and appreciate you all.

We have a few new campers this year. We are always thankful for new campers. One attends the congregation where Kevin is in Paris, Arkansas. The other is also from Paris but is not a member of the church, nor is her family. Please keep our new campers and all of our campers in prayers as we study God's word and learn more about how to give God their best. Lord willing we will all grow a lot in the word of God this week.

We have also enjoyed seeing some of you at camp this week to encourage us. We also look forward to Friday night when we can all come together for food, fellowship and fun. Hope to see you there.

Please keep in mind our family who continue to struggle with their health. Especially John Martin and Carolyn Lee. We love them both and pray for their peace and comfort as they continue to deal with their health issues.

Lets also pray for and encourage brother Aaron who came for Sunday to repent and get his life once again on track with God. I know God will help him to be the servant he desire to be.

Well, I look forward to seeing you all next Sunday as we gather for worship. Obviously this Wednesday we will still be at camp. We will miss you all and we love you all! God bless!

Ray Sullins

Elders’ Corner:

Last Sunday, our brother Aaron Snyder came forward requesting prayers on his behalf. Aaron had been absent for the past several weeks, and he requested forgiveness for falling away. We appreciate his penitent heart and I hope you will all take the opportunity, as many of you did on Sunday, to encourage Aaron along in his Christian walk. Aaron is dealing with many struggles at this time, including issues with anxiety, so please remember to pray for him.

Also, last Sunday, David and I announced that we have a man in the congregation that we believe is scripturally qualified and desires the work of an elder here at KE. Ray Sullins has let us know that he desires and is willing to serve as an elder. As we announced last week, if anyone know of anything that would scripturally disqualify Ray as an elder, based on the qualifications found in I Tim 3 and Titus 1, please inform us either in person or by a signed letter. David and I do want your input. If after two weeks, no scriptural reason is brought to light, we plan to install Ray as an elder after the morning services on Sunday, June 28, 2026.

This week many of our youth and church family are out at the Happy Hollow Bible camp as either campers, counselors, instructors or teachers, or in some other support capacity. We pray all goes well and this will be a wonderful uplifting experience for all. Our Wednesday night bible class here at the building will be much smaller than usual due to that fact. Remember that Friday will be the annual cookout and final devotional and awards ceremonies at the Happy Hollow Bible Camp; all are invited to attend. This camp session is the kickoff to many sessions this summer, including the Foundations camp at the Memphis School of Preaching that some attend at the end of this month, the day camp at Happy Hollow that Robbie Heavin does around the beginning of July, the GABC camp session in St. James that takes place around the middle of July, and Brent holds a camp session at Happy Hollow towards the end of July.

Please remember our sick and those struggling at this time, including Seth and the Hass family, Carolyn and Ken Lee, Becky and Steve, Herman and Peggy, Marcella, and John Martin who has been in the hospital and is now in room 301 at the Maples for rehab. Please take some time to go by and visit some of these folks and encourage them along.

We love you all, let us know if there is anything we can do for the family here. Till we meet again,

John and David
