Ray's Remarks:

Hello dear brethren!

God has blessed us all with another wonderful week of life and certainly life is good. I am reminded every day about the blessings of God and what He has done for us and what He continues to do for us. We certainly serve a loving and wonderful God.

Well, our camp session was a total success and we had a great time. I believe it was the best camp session ever from a weather standpoint as well. We had cool breezes most days and every evening we were able to have a camp fire every night. All of our counselors and campers were perfect and we really couldn't have asked for a better week all around. We also had a great turnout on Friday night for the cookout. Thanks to you all for such a wonderful and amazing year.

Brethren, I am so thankful that brother Herman has finally gotten some relief from his pain. This is certainly an answer to prayers. We have many others who still need to be remembered daily. Please always keep the Lees and Martins in your daily prayers. There are many others on the prayer list, so let's keep them and their needs before God's throne continuously.

I also rejoice that brother Aaron responded a few Sundays ago to ask forgiveness of sins and to recommit himself to the things of God. Please keep brother Aaron in your daily prayers also.

Remember that Dad and I will be taking our summer trip to Zambia and Kenya in a few weeks. We will leave July 7th and return on July 24. Please keep our preparation and this trip in your prayers. We look forward to seeing many of our graduates in Kenya and Zambia while in each country. I look forward to giving you all a full report after our return.

Well, I hope to see you all tomorrow for our mid-week service. I know we will all want to put God first and be present for this time of study and worship. May God bless us all as we continue to do His will and live for Him.

Elders' Corner:

Greetings brethren,

We hope this message finds you well. As you have heard, we will be operating a booth at the Ozark Empire Fair this year. We are excited for this opportunity to reach out to our community and spread the good news of the Gospel. If you have worked the booth at the state fair, you will be familiar with the process. We will have tracts and materials to hand out to fair-goers as well as books for children. We need your help to man the booth during the fair. While we should always be ready to give an answer for our faith (I Peter 3:15), you will not be required to teach Bible studies at the booth. What we need are happy, friendly faces who can visit with fair-goers, engage with them, invite them to services and hopefully get them to take some literature or get their contact information. If someone does have questions you cannot answer or wants to study immediately, you can always contact one of our elders or ministers for assistance. We anticipate you will be working shifts of two to three hours. We will have sign up sheets soon so we can begin filling the schedule. We encourage you to take advantage of this opportunity to evangelize our community.

Please keep Gail Wolf in your prayers as she recovers from knee surgery. Aaron Snyder requests prayers for his current job search and for his friend Megan Fields whose daughter passed away. Ken and Carolyn Lee need our prayers for their health struggles, as well as Seth Hass and the Martins. Sylvia Wood will be having knee replacement surgery next Tuesday.

Our game night will be this Friday at 6:30 pm in the Fellowship Hall. Bring snacks, games and your competitive attitude and enjoy an evening of fellowship with your Christian brothers and sisters.

Thank you for all you do here at Kansas Expressway. We look forward to seeing you at our next scheduled assembly.

David and John
