Bulletin

Ray's Remarks:

Well, it's hard to believe that our summer camp session for 2024 is now already over. We had a really great time and a wonderful group of kids and helpers. I believe this was one of the most profitable, beneficial and encouraging sessions we have ever had. Everyone just seemed happy to be there and glad to be able to share time with one another. We did not have one problem or conflict that I know of during the whole week. God is certainly good.

We also had a great cookout on Friday night. We had a good turnout and enjoyed our time together of fellowship and fun. Thanks to all of you who came and to everyone who made it such a great success.

I am also so thankful for all of my helpers this year. The session could not take place without all the volunteers and helpers, so thanks to everyone; especially those who drove out every day to help with daily teaching or crafts. So a big thanks to Julie Fielder and Stephanie Heavin. They both did a great job.

Well, I was supposed to be headed to Africa tomorrow, but due to several things going on right now I decided it was best to postpone the trip for a short time. Thanks to all of you who have been praying and offering me words of encouragement. I am very blessed to have such encouragement and strength from you all as brethren. It's a blessing to be loved by you all.

Well, tomorrow night things will look quite a bit different in the classrooms as many of them now have the new flooring and many also have the new trim up. Hopefully, by the end of the week we will be able to have this third phase of the project done.

A big thanks to everyone who help move things out of the rooms on Sunday afternoon. Also a big thanks to everyone who helped put everything back and clear other rooms on Tuesday. I appreciate you all.

Well, I hope to see you all Wednesday for our midweek service. Remember to put God first and be present and ready to give Him your very best. I love you all!

Elders' Corner:

Greetings brethren,

We hope this message finds you well. The warmer temperatures tell us that summer is here. These are but signs of God's handiwork. We read in Daniel 2:21 that God "changes the times and the seasons." The sun and moon were created by God, in part, for "signs and seasons." Genesis 1:14

We are grateful that Ray's camp session went well last week. I had the privilege of delivering the devotional message Wednesday evening. It is truly inspiring to see the young people studying God's word and having fun during the session. The cookout Friday evening was well-attended and the food was delicious. Thanks to Ray for organizing the session.

We were encouraged by brother Gary Dalton's response Sunday morning. Keep him in your daily prayers, as well as Edith Sullins, the Lees and the Martins. Also remember Karen Ewing and her family as they mourn the loss of Wesley. Remember too Mary Patchell and Rose Mary Medley as they continue treatment for health issues.

Thank you to all who helped clean out the classrooms Sunday afternoon so our carpeting work can continue. Hopefully the classrooms along the north hallway will be completed by this Wednesday. We appreciate your patience as we endeavor to complete this work. We will have another 5th Sunday coming up this Sunday and we hope to continue to raise the needed funds to finish off the flooring renovations. We will also be having a Fellowship Meal following morning services this Sunday.

We appreciate your willingness to engage in our works here at Kansas Expressway. May God grant us the strength, endurance and perseverance to "remain faithful until death." Rev. 2:10

We look forward to seeing you at our next scheduled assembly.

David, John and Jerry
