Bulletin:

Ray's Remarks:

K.E. FAMILY LIFELINE

Hello beloved brethren,

By the time you get this bulletin, Dad and I should be on our way to Africa. We are excited about the trip and all that is planned in the work of the Lord. Nevertheless, it is always difficult to be away from family. I know God is going to bless our way and keep us safe. Please keep us in your daily prayers. Lord willing, we will be back with you all very soon.

I also wanted to thank all of you for the kind words, encouragement and support for such trips as this. I know you all are praying and some of you have also helped financially. Thank you again so much for these expressions of love. We truly love you all as well.

The fair will be here before you know it. I hope you all are getting ready to help with the fair. We need many more to sign up for a 3 hour slot to man our fair booth. What a great opportunity this will be to share our faith with those of Springfield and the surrounding areas. We need you help to basically be at the booth and say Hi to passers by, as well as to encourage them to take some of the free materials. If you're a little hesitant about being there alone get a brother or sister to sign up with you and you can do it together. Let's all take advantage of this opportunity to share the light of God and to give people a chance to find their way to God. As we all know, this is a basic command of God as well. Thanks for your help in advance with this great need.

So far we have two new students who have made the commitment and who are preparing to start classes in August at the BIM. As most of you know Nolan is going to be starting with us. Also, another brother who visited with Roy when we had our BIM lectureship. His name is Jaryion Surney and he is from Nebraska. This young man seems to be on fire for the Lord and ready to commit himself to the study of God's Word for two years. I am still working on a few others and we'll see how it goes. Please keep all these good men in your prayers as they prepare to come or as some still consider coming to be a part of preachers' training.

Well, you all have a great week. I love you all and God bless!

Elders' Corner:

Greetings brethren,

We hope this message finds you well. It is hard to believe this year is more than half gone. I am reminded of the fleeting nature of life, and the ever-increasing speed with which "life" passes us by. James wrote "For what is your life? It is even a vapor that appears for a little time and then vanishes away." James 4:14 Cherish, embrace and enjoy life; but remember our goal, our reward is in the next life. Be good stewards of whatever time we have left.

As I write this, Ray and Jerry are preparing to leave for Africa. Their original flight on Tuesday was cancelled, delaying their departure by a day. Pray for their safe travels and that they might encourage the students and faculty in Zambia and Kenya.

Keep John and Judi Martin in your prayers. John is scheduled to go back to The Maples on Friday, be on hospice care and is approaching the end of his earthly journey. Judi has been having problems with a fever and increased heart rate. Odessa Johnson has been hospitalized with pneumonia and is improving. Remember Wanda McElfish in the passing of her sister Iris Blevins.

If you haven't already, please give the church a Five-Star review on Google. As Ray mentioned in his sermon Sunday, it is important that we post positive reviews to offset any negative comments. You can find the church building on Google Maps, tap "Kansas Expressway Church of Christ," and leave a rating and positive comments. We also encourage you to sign up for the booth at the Ozark Empire Fair. There are still many slots left to be filled. This is an easy way for you to spread the good news of the Gospel to our neighbors.

Thank you for all you do in the Kingdom here at Kansas Expressway. It is our privilege to lead you and work along side you.

David, John and Ray
