Bulletin

Ray's Remarks:

Hello dear brethren,

I hope you all had a great holiday over the 4th and that you enjoyed time with family and friends. Our family had a wonderful time celebrating together and spending time together, and despite the rain at the end of the day our spirits were not dampened.

Last Sunday was another great day for worshipping God. As always we had a good number present and our worship was no doubt offered in Spirit and Truth. We were also encouraged by sister Ellie's response on Sunday. Sister Ellie is a fine Christian young lady and a great example to us all, but she was wanting to make sure she is doing enough and giving God her best. Let's all keep her in our daily prayer that she might have the strength to give God her best in every facet of her life.

I also failed to mention a few Wednesday nights ago when brother Gary Dalton came forward for prayers and wanted to make sure that he was right with everyone and that he had not sinned against anyone. We all love brother Gary and we continue to pray that he might be the best servant of God that he can be, as well. Certainly this is a goal that we all should have.

Well, you may have noticed now that we have three phases of our flooring done. Things really look a lot nicer around the building and it is a great blessing for us to be able to get this done. Thanks to all of you who have helped and the many who have given extra so that we might get this work done. We have a little more to do, but hopefully it will be able to be done soon.

I also wanted to thank sister Angi for helping to clean up a dirty wall in one of our classrooms. In the past the roof had leaked on it and it had a lot of old roof tar on it. Now it looks so much better and will be ready for paint. I am thankful for so many of you as we have so many good helpers at K.E. and many who are willing to step in and get things done when they are needed. I hope we all will have this spirit and attitude as we take care of all the blessings that God has given us and as we do our part to show we are all proper servants for God.

Well, I hope to see you Wednesday for our mid-week service. May God continue to bless us all as we put Him first in all things. I love you all!

Elders' Corner:

The summer "break" is coming to a close and soon we will begin many changes in our schedules. Our children and young people will go back to their studies at home and at local schools to prepare them for their future lives. We are blessed with a great group of young people who are having a great influence for Christ in their associations. They need our support and encouragement as they deal with the forces of this world that are leading so many away from God. Let us rise up to the challenge to bring them up in the discipline and training of the Lord.

This past Sunday, Ellie Sanders responded to the invitation last Sunday invitation expressed a desire for prayers so that she might be stronger in the faith. Our prayers will continue for this young lady who is a great example to us all.

Remember our loved ones who continually deal with health problems. Mildred Riley, Mary Patchell, Carolyn Lee, John Martin, Edith Sullins and others need our encouragement and prayers.

Two final camp sessions are scheduled in July at Happy Hollow. The annual day camp by Robbie Heavin (July 15-19) and Brent Green's camp session from July 28 - August 2. It's not too late for you to take advantage of these sessions for our young people.

The Men's Breakfast is coming up this Saturday morning at 8:00. The monthly event is very encouraging to all who attend. Why not come and bring your boys and grandsons to be with us.

BIM starts on August 6th. Four new students and possibly others will begin their first year of studies very soon. It's not too late for someone you know to be included in this new class. If you have any contacts of potential future students please contact Ray as soon as possible.

May God be with us all as we strive to serve Him until He comes again.

Jerry, David and John
