Ray's Remarks:

Hello dear brethren. I hope you all are doing well. We certainly miss you all!

Things are going well in Zambia. God has really blessed our trip to Zambia thus far. We have had a good number present. In fact, over 60 graduates have been at the seminar so far and more have come every day. In total, we have had close to 70 present at most times. Praise be to God for the good men here in Zambia who are continuing to do the work of the Lord. By the way, we also have graduates from Zimbabwe and Malawi as well. It has been a real blessing to see them all. Several of our graduates are actually back from the Botswana days and graduated in 1992, yet these men are still busy in the work of the Lord. Praise be to God for this great opportunity and time of great encouragement. May God continue to bless us to do His good work in Zambia.

We have one more day of the seminar and then we will be done here in Zambia. I do have a few brothers to meet with, but other than that we will soon be on our way to Kenya. As most of you know, when we get to Kenya we repeat the same thing, another graduate seminar there. So please keep us in your prayers as we travel and as we encourage the brethren in Kenya as well. God is so good!

I wanted to take a moment to encourage all to remember sister Judi Martin and the family in your daily prayers. As we now know, John is on Hospice and is to the point of not really being able to communicate or interact. We certainly love brother John and sister Judi and pray that God's love and peace will be with them during this difficult time. May we all focus on the rich and wonderful promises of God at times like this, for with the God of all comfort we are never alone.

May you all have a great week. We continue to miss you all and love you. Lord willing we will be back home in a little over a week and a half. May God bless us all as we do His will and put Him first in all things.

Elders’ Corner:

Hello brothers and sisters,

Summer is already halfway over. Robbie is having her day camp this week, with several of our youth assisting her each day. Others from our youth are at the GABC bible camp near St. James. Ray and Jerry are in Africa conducting seminars for the graduates in a couple locations. It is a busy time of year for sure. Also coming up, we have the BIM that will begin in less than a month and our VBS is just under a month away. But, before VBS, we have the Ozark Empire Fair that is just over 3 weeks away. We still have several open shifts that need folks to sign up for and work. I want to encourage you, if you haven’t signed up for a shift yet, please do so. Many hands make light work. We need several more volunteers to assist with this evangelistic effort. Please don’t let your fear or anxiety keep you from taking part in this congregational effort, help us share the good news with those who would walk by the church booth. You will feel really good about overcoming those fears and anxiety and may the Lord bless us all in our service to Him.

Please continue to remember our sick and struggling: Carolyn and Ken Lee, Becky and Steve Pool, Herman and Peggy Cummings, John and Judi Martin, Seth Hass and his family, and Aaron Snyder. All these folks are in need of your prayers and encouragement. Please take some time to petition God on their behalf, and I would also encourage you to take some time to visit them and show them how much you care.

In brotherly love,

John, David, and Ray
