Ray's Remarks:

Hello beloved brethren and greetings from Kenya. All is well here and things continue to go well with our second seminar with graduates of our schools. So far the trip has been a huge success. As you know, our trip began in Zambia and we have about 65 graduates, not counting us as visitors from the United States. What a great time of encouragement and growth we had together. Everyone seemed to really enjoy our time together and the students especially appreciated the Bibles and tracts they were able to take home with them to use in Evangelism.

Praise be to God for the successful time we had and for the fact that so many of these men continue to be busy and strong in the work of the Lord. What a great blessing it was to be in Zambia and to share this time with our brethren, who represented three different African Nations. May God continue to richly bless our graduates of the Zambia School of Biblical Studies.

We are now in Kenya and we are repeating the same seminar with our brothers in Kenya and again the seminar is going well. We have had 32 men show up for the seminar which represent recent graduates from Kenya and also some men from Kenya who were trained in Uganda. It has been a great time of encouragement and growth as well here. We only have one more day left of the seminar here and soon we will be returning home. Please keep all of these good men in your prayers and as well the work in Kenya as these men continue to labor in God's Kingdom here. Also pray for our many students who are currently training in our schools, that we might continue to do all we can to reach all the lost souls of Africa.

Please pray for us as we begin our journey home on Thursday. Lord willing we will be home on Friday if all goes well. We love you all and miss you. May God bless us all in our service for Him.

Elders’ Corner:

Greetings brethren, we hope this message finds you well. Please remember to keep Jerry and Ray in your prayers as they wind up their work in Zambia and Kenya. Lord willing, they will be back with us this coming Sunday. We look forward to hearing their report concerning our works in Africa.

We have a busy month ahead at Kansas Expressway. Brent’s camp session starts this Sunday. Please keep Brent and all the campers and staff in your prayers. Also, we will be staffing our booth at the Ozark Empire Fair July 30th – August 8th. There is a signup sheet on the foyer table and we need your help to make sure someone is there during the fair. Of course, it will not be staffed during our assembly times. Please help if you can. Finally, our VBS begins August 9th and runs through the 12th. Our theme this year is *Truth Hunters* and we are excited to “search out the truths” found in God’s Word. There are numerous opportunities for you to help make this year’s VBS a success. Sign up sheets are on the foyer table as well as flyers to distribute to friends and neighbors.

Julie and I will be gone the end of July and the first few days of August. We are attending a seminar hosted by Jeff Miller covering the flood and creation science. We will be visiting both the Ark Encounter and the Creation Museum as part of it. Since we will be gone, there will not be a bulletin next week.

Remember Judi Martin and her family in the passing of John last week. Judi will be moving to Texas in the coming weeks, and a graveside service is planned in the fall for John in Oklahoma. We will keep you posted as we receive more details. Also remember Marissa Scharold, Odessa Johnson, Sylvia Wood, Herman Cummings and Seth Hass in your prayers as they deal with ongoing health issues.

Thank you for all you do in the Kingdom.

David, John, and Ray
