Ray's Remarks:

Hello beloved Brethren!

God has blessed us with another week of life and we should be thankful for His wondrous love and daily care. It has certainly been a hot week, but I have been thinking about everyone at Brent session this week at Happy Hollow and I know they are having a good time. Let's continue to pray for their care and safety during these hot days.

Well, this coming Sunday our VBS will be starting. I now many of our younger kids are really looking forward to it. VBS is always a fun time of growth in the Word of God. A big thanks to all who volunteered to teach and all the good work and preparation that is taking place. I know we will have a very success VBS as always as we all grow together in studying, "the Name of Jesus!"

I am excited to say that there were another 3 baptisms in Zambia this past weekend. It is so encouraging to received these regular reports of the good work that is going on in Africa. There is so much fruit that is begin born for the sake of God through the many graduates of our schools. I thank God for the part we play and our ability to serve Him and put Him first in all things.

It's hard to believe, but we will begin a new year and a new class at the BIM this coming week. On Tuesday we have orientation and on Wednesday we actually begin classes. As most of you know by now we have 4 new students coming for the first year and brother John and Levi are returning for their second year of study. Please pray for them all as we start this new year and that they all might do well in there studies. Also pray for brother Isaac as he is now on his way traveling from Oregon, by car. Please pray for his safe journey.

Well, I hope to see you all this Wednesday for our devotional period. Remember that this is a 5th Wednesday and they we will all be in the auditorium for an extended time of praise to God. I know you will all want to be present to enjoy this time together. Brethren, may we all put God first in everything, always. I love you all!

ROMANS 12:4-8

For as we have many members in one body, but all the members do not have the same function, so we, being many, are one body in Christ, and individually members of one another.
Having then gifts differing according to the grace that is given to us, let us use them: if prophecy, let us prophesy in proportion to our faith; or ministry, let us use it in our ministering; he who teaches, in teaching; he who exhorts, in exhortation; he who gives, with liberality; he who leads, with diligence; he who shows mercy, with cheerfulness.

Elders' Corner:

This coming week will be a week looked forward to by young and old alike. VBS begins Sunday afternoon at 1:30. The theme this year is: "The Name of Jesus". You might ask: How can we help. Invite friends, neighbors, relatives, etc. to bring their children and grandchildren to be a part of this yearly event. Lessons on Jesus and a time of singing songs that children love will be the highlights of the VBS, as always. HOPE TO SEE YOU ALL HERE FOR A TIME OF JOY AND LEARNING MORE ABOUT JESUS.

BIM starts on Tuesday, August 6th with orientation. Classes will start on Wednesday. We are happy to have four new students who will begin their first year of studies. Two students are returning for their second year. It is not too late for someone to be accepted as a student in the new class. If you know of someone who could be encouraged to come this year, there is still time left to join us. Tuition is free. We will be able to find full support for them if they decide to come. Workers in the Kingdom are needed more than ever before. Churches are searching for trained men who are capable and willing to know and preach God's Word. Don't hesitate to call us and we will help you or your prospect to begin with this new class.

REMEMBER, LADIES' DAY, SEPTEMBER 14TH. The focus of the day will be: "Climbing Life's Mountains". Ladies, don't miss this time to be encouraged by other faithful women of the Lord. Shanna Stewart will be the speaker for the event.

Special prayer needs are requested for: Marcella Wake who is still at Cox South suffering from serious health problems but showing improvement. Also, sister Carolyn Lee and John Martin need prayers for many serious health problems. Sharon Nothwehr is now on hospice care needing encouragement and prayers. Edith received a good report in Kansas City and has no future appointments. Daily prayers and contact are needed; for a list of those in need, they are listed in this newsletter.

May God give you the strength and the courage needed to deal with the everyday problems of life. But let us not forget how much we are blessed!

Jerry, David and John,

Elder on Call for August: Jerry Sullins
