K.E. FAMILY LIFELINE

Hello beloved brethren,

I hope you all are well and having a great week in the service of the Lord. This has definitely been a good week for all of us as we have had our Vacation Bible School this week. So far, our VBS has gone really well with some visitors. However, I wish more people would take advantage of such times for them and the children to learn about God and to desire to do more to obey His perfect will.

Our theme this year has been on Noah and so far we have learned lot with lots of Biblical challenges from our teachers. Thanks to all who were willing to teach and help out with the classes. We also had so many who were willing to decorate and make things look special for the kids. We also had many bring cookies to give us something to snack on each evening. It is good to see so many in our family be involved in this activity and I love and appreciate everyone for making this year’s VBS another successful one. May God continue to bless us as we do such good works to accomplish His good will.

Well the Bible Institute of Missouri is off to a great start and we are now in our second week of studies. I am thankful for the good attitude of Brother David and Brother Hunter. I also appreciate our second year students, and I am really enjoying teaching them this year. Anyway, keep all of these good workers in your prayers that they may continue to grow in the knowledge and admonition of the Lord. Also, I wanted to say thank you to our great BIM staff. We appreciate Jerry, Trey, Brent, Cory and Steve; they are all doing a great job. I am thankful to God for all of these good brothers.

I also wanted to say thanks to an unnamed good brother who helped with the parking lot lights. Many of them had gone out, so we were able to replace the fixtures with LEDs and the lights now are much brighter and provide more security. Thanks dear Brother for your time and willingness to help.

Well, I hope to see you all at our final two nights of VBS and I know you will not regret putting God first and being present. Let’s all commit to putting God first in all things always. I love you all brethren.

Elders’ Corner:

Dear KE brethren,

It was exciting to hear of the gospel meetings going on in Africa (Ray mentioned at the beginning of his sermon this past Sunday) at this time. It was even more exciting to hear of all the baptisms and restorations taking place because of God’s message of reconciliation being preached as part of those meetings. We are reminded of the rejoicing taking place in heaven when lost souls are again found by the Chief Shepherd and returned to the safety of the flock. Along those lines, I want to thank those folks who helped by working the church of Christ booth last Saturday at the state fair in Sedalia. Those who participated were David and Julie Fielder, Richard Medley, Seth and Rheleigh Hass, and my family. We were able to hand out many fans with details about the Lord’s church and God’s plan of salvation. Our hope is that after planting the seed, someone else may have an opportunity to water and in time, God may grant the increase to His kingdom.

VBS is also on going. I am thankful for all those who have helped make this evangelistic effort so successful. I thank all the teachers who have prepared for their classes, I thank those who decorated the classrooms and other areas of the building to make our theme come to life. I thank those who made cookies and snacks to feed those in attendance.

I also remind you that Tiffany and I will be headed to the Ivory Coast, Africa on Thursday August 21, and then a stop in Europe for some exploring before getting back home on Monday September 8, Lord-willing. Please make Tiffany’s parents feel welcomed and loved when they are here enjoying some time with our children. Please keep Tiffany and me in your prayers that we may have safe travels and a profitable time in Africa.

Look forward to seeing you on Sunday, August 17, and I look forward to worshiping with you all again four Sundays after that.

John, David and Jerry
