While growing up in the 1970’s, game shows dominated the television network airways. Primarily aired during weekdays, many game shows have stood the test of time and are still around today. One such show is the “Price is Right.” The show premiered over 50 years ago in 1972 and has aired 10,000 episodes. It is the longest running game show in America and is one of the longest running series in US television history. The premise of the game is contestants must guess the price of common consumer goods, the person who guesses closest to the price without going over advances in the game. It would be difficult to find an adult in the country who is not familiar with the Price is Right.

Sadly, many folks play the Price is Right with the inspired word of God. Many are familiar with the bible but only to the extent that they must “guess” at what God’s plan is for humanity. Some only know bits and pieces of the Scriptures, leading to erroneous ideas and misconceptions. Popular daily devotional apps and social media memes only add to the confusion, many times using passages out of context and giving false hope to thousands. How could you guess the correct price of boxed rice dinner if you’d never bought one? Thus, how would you know if a “church” used biblical practices if you’d never read and studied what the bible says about those things? Some contestants on the popular game show base their guesses on the guesses of other contestants. Should we base our religion on what others do or what is the most popular?

“Not everyone who says to Me, ‘Lord, Lord,’ shall enter the kingdom of heaven, but he who does the will of My Father in heaven.” (Matthew 7:21) Do we know the Lord’s will or are we just guessing what He may want from us? Finally, what happens to the Price is Right contestant that doesn’t guess the correct price? They never advance, they are out of the game and don’t win the prize.

“Many will say to me on that day, ‘Lord, Lord, did we not prophesy in your name and in your name drive out demons and in your name perform many miracles?’ Then I will tell them plainly, ‘I never knew you. Away from me, you evildoers!’” (Matthew 7:22–23)

Elders’ Corner:
Greetings brethren,
It is a privilege to work alongside you in the Kingdom as we strive to be “good and faithful” servants. We appreciate your willingness to be involved and to answer the call. Our goal is that we may all one day receive our eternal reward in Heaven.

We deeply appreciate all who played a part in our VBS this year. The auditorium and hallway decorations were amazing. I especially liked the amphorae storage racks in the hallway. It was good to study about Noah, the flood, and God’s promises. Our children look forward to VBS each summer and it would not be possible without the work of our members, both those who teach and lead and those behind the scenes.
Remember Ray, John, and Tiffany as they travel to Africa this week. Ray will be travelling to Kenya to assist with the opening of the new preacher training school there. John and Tiffany are traveling the Ivory Coast and working with a missionary there. They are all leaving Springfield this Thursday, please pray for their safety and the encouragement of the brethren in Africa.

Remember that our Tuesday evening classes begin this week and continue through early December. They begin at 7 pm and will be covering the epistles of Peter and John. You can attend in person at the BIM or join online. If you are unable to attend, archived lessons will be available on YouTube and Facebook. Our Ladies’ Day is coming up soon; and will take place on Saturday September 27th. Holly McCormack will be the speaker; “A Study of Psalms” is the theme. Ladies – please make plans to attend and invite your friends and family.

Remember Jerry Sullins in your prayers; he went to the ER Sunday morning. He was discharged and has seen his doctor. He did not have a stroke or any serious condition, and they are making changes to some of his medication. It was good to see Laura Heavin Sunday after her hospitalization last week. Remember these as well as Charles Williamson, Gary Dalton, Richard Medley and all our expecting mothers in your prayers.

We look forward to seeing you at our next scheduled assembly.

David, Jerry and John
