Ray's Remarks:

Well, as you can imagine it is great to be home. I thank God for the fruitful and safe trip to Kenya. Our way was really blessed there and I am happy to report that the new school is fully up and operational. It took a lot of work and some busy days but we got it done. I am excited about the new students and the great work they are doing. I hope they all stick with it and hang in there.

Unfortunately, we did have one student who went home already. He said he felt the studies were too difficult for him. However, we still have the five Ugandans and seven Kenyans left who are studying at this time. Please keep them all in your prayers as they make adjustments and that they will complete the work they have put their hands to.

These are some pictures I just received this morning.

I also heard some good news that two souls were added in Solwezi today. Over the weekend there were more restorations and baptisms as well with our graduates. The Lord is doing great things in Africa through His many servants. How blessed we all are to play a small part.

Well, I hope to see you all tonight for our mid-week bible study. I love you all!

P.S. And also to my helpers too, Cindy, Angi & David for delivering them.

Thank you for all the thoughts, prayers and cards during all the hard times my family has been through. I don't know how I would have made it through without my church family. ♥

Elders’ Corner:
In Matthew the 20th chapter we read these words of Jesus: “Yet it shall not be so among you; but whoever desires to become great among you, let him be your servant. And whoever desires to be first among you, let him be your slave— just as the Son of Man did not come to be served, but to serve, and to give His life a ransom for many.” vv. 26 – 28. Jesus possessed a servant’s heart, a trait we all should strive for. We are blessed here at Kansas Expressway by many who possess the servant’s heart we read of in Matthew 20; those who teach, those who work on our bulletin boards, those who prepare food in times of need and those who assist with our building’s needs. We deeply appreciate the commitment shown by you all.

Please keep those who have lost loved ones in your prayers. Clay Hoffman and his family with the passing of his father Jim. Also Angela Moody’s father-in-law Charles Moody and Cindy Sullins’ aunt Ocidell Massingill.

This month our Men’s Breakfast will take place on the first Saturday of the month, this coming Saturday at 8 am. There is a sign up sheet on the foyer table. There will not be a Game Night this month because of previously scheduled activities. Our Ladies’ Day will take place on September 27th with activities kicking off at 9:30 am. Our theme this year will be "A Study of the Psalms” with sister Holly McCormack. Make plans to attend and invite your friends and neighbors. The final planning meeting for the Ladies’ Day will be held September 14th after morning worship in Room 9. Our Tuesday evening classes continue at the Bible Institute of Missouri at 7 pm. We are examining the letters of Peter and John and classes continue through early December. You can attend in-person at the school or join online.

Remember John and Tiffany in your prayers as they head home from their travels. Also remember Laura Heavin, Richard Medley, Becky Pool and Gary Dalton as they continue to deal with and recover from health issues; as well as our many expecting mothers.

We look forward to seeing you at our next scheduled assembly.
