Ray's Remarks:

Hello all!

I hope your week is going well and that you enjoyed Labor day. It has been another hot week so far, but it looks like things are about to cool down on Thursday. I know we are all ready for a break from the heat, so I hope it does cool off later this week. Meanwhile I hope you are staying busy for God and continuing to give Him your very best.

I received great news from Kenya today. Two new souls were added to the Kingdom at the new congregation in Nairobi. The church there continues to grow and do well. It is so exciting to see a new congregation like this thrive and to see that newly trained men are doing a great job in leading these brethren as a church of our Lord. Please continue to pray for this group.

I am also excited to say that our classes in Ghana and Livingstone, Zambia are getting ready to graduate. Before we know it, we will have more graduations in both of these places. It will be a great blessing to see over 30 more men go out into the fields which are ripe for harvest, and to preach the word of God. Please keep these men in your prayers as they work toward completing their training at our schools.

I also want to continue to encourage you to take advantage of our Tuesday night classes. So far our classes are going really well, and I think we are all growing together in our understanding of God's Word as we look at these topics in a deeper way. I hope you are taking advantage of this opportunity to grow in God's Word. Truly what a blessing it is for all of us.

Well, I look forward to seeing you all this Wednesday night. Make sure to put God first and be ready and present to give Him your best. Until then, know that I love you all and God bless!

TUESDAY LADIES:
The Tuesday Ladies, who make comfort pillows for children in our hospitals, meet in the fellowship room at 9 on Tuesday mornings till around noon to cut, stuff and sew “stuffies”. Many of you help in this effort from home, as well. If you can help with this evangelistic effort that provides comfort at a very stressful time for the most innocent and their parents, see Laura Heavin

Thank You:
I would like to thank everyone who contributed to my housewarming gift. I was able to purchase some temporary fencing for the dogs with the funds raised. Again, thank you all.

Elders’ Corner:
Greetings brethren,
We hope this message finds you well. While we are all suffering with the recent run of excessive heat, we can take heart that cooler mornings and shorter days will be here soon. I am reminded of the fleeting nature of life, and the ever-increasing speed with which “life” passes us by. James wrote “For what is your life? It is even a vapor that appears for a little time and then vanishes away.” James 4:14 Cherish, embrace and enjoy life; but remember our goal, our reward is in the next life.
We are pleased to let you know that we have finally received the insurance checks related to the building’s storm damage from the spring hailstorm. They have been deposited into our building account and total over \$320,000. We will keep you posted as we work toward repairing the damage. While these payments are a tremendous blessing, there were substantial deductibles that we will ultimately have to cover as the repairs are performed.

Please be sure and wish Harry and Donetta a very happy anniversary this Sunday. They will be celebrating their 70th wedding anniversary, an amazing accomplishment.

The Men’s Breakfast will be held this Saturday morning at 8 am in the Fellowship Hall. There is a sign-up sheet on the foyer table. All men are invited to join us for breakfast, fellowship and Bible study.

Remember all those on our prayer list. Herman Cummings will be having back surgery September 22nd. Wanda McElfish continues to recover from nerve pain after her fractured tailbone, and Seth Hass, Carolyn Lee, Kimmy Welch and Becky Pool are all dealing with ongoing health issues.

We look forward to seeing you at our next scheduled assembly.
