K.E. FAMILY LIFELINE

Ray’s Remarks:

Hello all! God has blessed us with another week of life and I hope your week is off to a great start.

Well, it’s hard to believe but our gospel meeting will start in just two weeks. I am looking forward to having brother Ken Johnson with us and I know he will do a great job in challenging us to learn more about God’s Word. Dad and I have known brother Ken since the days I was a teenager and we lived in Eldorado, Arkansas. Dad is the one who encouraged Ken to go to the Memphis school of preaching to become a gospel preacher. He is a man who loves the word of God and who is dear to our hearts. The congregation he preaches for in Alabama are also big supporters of our work in Kenya. They send \$1500 a month to help with the school in Nairobi. Anyway, I thought you would like to know a little about his history and how he is connected to our work here. Please begin praying for the success of our fall gospel meeting now.

We are in the finals week at the Bible Institute of Missouri. I know our first year students are getting their first taste of finals and getting a quarter complete. They are all doing a great job and we are very proud of all of our new students. Brother David and Hunter are also doing a great job in their second year. In fact, in my two classes they have been making 100% on everything. I have been teaching Greek and General Introduction to the Bible. Both are quite difficult classes. Anyway, they are all doing well so please continue to pray for our good work at the BIM that it will continue to bear fruit of the Lord and that we will have even more men to train in the future.

This week they will begin to replace the glass on the front of the building which was damaged during the hail storm. It’s quite a big job but hopefully they will have it finished within a week.

Anyway, I hope you take advantage of every opportunity this week to grow in God’s word; first with the Tuesday night class and then on Wednesday with our mid-week service. What a privilege we have to ever keep growing in the word of God, so the only person who will cause you to miss such opportunity is yourself. Please put God first and take advantage of these times of spiritual growth. May God bless us all as we put Him first and do His will always.

Elders’ Corner:

Greetings brethren,
We hope this message finds you well. Our Fall Gospel Meeting will be here in a few short weeks. Our theme is “Making Known the Manifold Wisdom of God” and will be conducted by Ken Johnson. Our topics will focus on evangelism. The meeting will start October 18th and run through the 21st. Please make plans to attend; flyers are available in the foyer so you can share the information with your friends and neighbors. If you don’t invite them, there’s a 100% likelihood they won’t attend.

There will be a Men’s Meeting this coming Sunday following our afternoon service. All men of the congregation are invited to attend. We will be updating everyone on the works here at Kansas Expressway and will be happy to address any questions or concerns you may have. Also remember our monthly Men’s Breakfast will be this coming Saturday at 8 am in the fellowship hall. A sign-up sheet is on the foyer table. Finally, Hannah and Robbie Kirkland will be hosting a hayride and cookout beginning at 4 pm on October 24th.

Please keep Marcella Wake in your prayers. She came home from the hospital Sunday evening following her surgery. By all accounts the surgery went well and no surprises were found. We are providing some food for those staying with Marcella during her recovery; if you would like to help see Julie Fielder. Also keep Herman Cummings in your prayers as he recovers from back surgery. He hopes to be back with us either Wednesday or next Sunday. Richard Medley, Shirley Blades, Becky Pool, Kimmy Welch, Seth Hass, Wanda McElfish, Glen Slider and Charles Williamson are all dealing with on-going health issues and need our prayers.

Finally, we still need members who are willing to be on “stand-by” when someone needs a ride to services. As of Sunday, there were only three names. The list is on the foyer table. To reiterate, Steve Pool is compiling a list of members who would be willing to pick up someone for services when the need arises. If you are able to help, please sign up so Steve will have the largest possible group to choose from.

We look forward to seeing you at our next scheduled assembly.
