K.E. FAMILY LIFELINE

Ray's Remarks:

Hello Brothers and Sisters,

I hope you all are having a great week and putting God first in all things. I have been enjoying this week for sure because of our Gospel Meeting. Although sometimes we can get a little more physically tired during a meeting or lectureship week, especially when we are meeting every night. However, it is a spiritual re-charge for me because I have the privilege of meeting every night to remember God and His Word. I love the fact that as a child of God I can always get the most out of the study of His word. Although everyone has different styles and methods of presentation, I always love hearing the word of God presented and I am always a better person because of it.

We really appreciate brother Steve helping us with the meeting this year. It also has been a blessing to get to know his wife Robyn better. They are a wonderful couple and great servants of God in His kingdom. I am also very thankful for the Aurora congregation, for their great love and support of our works. Wha a blessing it is to be a part of the precious family of God that stand on His word and puts Him first in all things.

Let me also say that it was great to have brother Mike Hixon today as our guest speaker at the Bible Institute of Missouri. He is from Olive Branch, Mississippi and this congregation has been a long-time supporter of our works. He had a wonderful message to our students and faculty. He also will still be in the Gospel Meeting at Sparta on Thursday night if you have opportunity to join the brethren there.

Also a new quarter is off to a great start starting today at the BIM. Please keep the faculty and students in your prayers as we try to finish this year out in a good and strong way. What a blessing it is to have the privilege to daily study the Word of God.

Finally, let me encourage us all to not grow weary in doing good. We all have a lot of work to do for the Lord and we have limited time to get it done. Are you giving your most and your best to God today?

May God continue to richly bless us all as we serve Him and do His will. I love you all!

Elders’ Corner:
To the Saints at Kansas Expressway,
We have had a great start to our gospel meeting this last Sunday. We are thankful Steve Pearce is with us to conduct this series of lessons on “Messages from the Savior”. We had a large crowd to start off the meeting, and I pray you all have profited from your time spent as being a part of those lessons. We are glad to have Steve as part of our Bible Institute of Missouri staff, helping to instruct our preacher students and preparing them for the great responsibility of preaching God’s word.
We rejoice with the Kirklands and the Fielders with the arrival of baby Kennedy last Saturday. Many prayers have been offered on their behalf. We thank God for the safe arrival and health of both Hannah and Kennedy. And thanks goes out to the families who have agreed to prepare meals for the Kirklands after bringing Kennedy home. This demonstrates the love you have for one another and willingness to share with others. May God continue to bless you all for the kindness shown, not only to the Kirklands, but to each of the expecting mothers and families. Praise God for supplying each of us with an abundance to share with others.

I thought I would follow-up my last article with a short note about our trip to the Ivory Coast at the end of August. One of the congregations we have spent much time with, the Dimbokro church of Christ, gave Tiffany and I a letter asking for assistance in constructing a bathroom/shower for the church. Currently, the preacher Georges Bonadventure, along with his family, live in the rooms attached to the church building, and they have no bathroom or shower facility. The bathroom consists of a couple pieces of L-shaped tin that provides a little privacy to the toilet bowl that is mounted to a concrete slab. As there is no running water to the toilet, to flush, you simply bring a bucket of water with you and pour the water into the toilet bowl. Several church members signed the letter, asking for assistance to build a bathroom/shower facility that could be used by those that live there all the time as well as to be used by the church. After discussing with the other elders, we have agreed to send them \$500 to be used for building a bathroom facility. They will need to collect several thousand dollars to afford to build the facilities. Helping them meet this need is very dear and special to Tiffany and I. Thank you all for your continued contributions that are used to provide our brethren assistance in matters such as this as well as for evangelism, edification, and benevolence.

Thank you for your service to the Lord and KE,
John, Jerry and David
