K.E. FAMILY LIFELINE

October 27, 2024

Bulletin

Ray's Remarks:

Hello dear brethren.

I hope your week is going well and that you are staying busy with your opportunities to serve God and to serve others. Our family at Kansas Expressway continues to be blessed and I hope we all realize just how much we all have to be thankful for.

We always need to rejoice with those that rejoice! We were certainly happy to hear the good report that sister Mary Sanders got about the concern they had with her. She has now been cleared and they do not believe that she has a tumor at all or a cyst, but rather just scar tissue. We rejoice with her in the great news. What a true blessing from God.

We also want to remember to weep with those that weep. We continue to remember the Nothwehr family in the loss of sister Sharon. We rejoice in the fact that she was a good and faithful Child of God, but we also sorrow with the family as we know they will all miss her. We were able to have a celebration of life on Tuesday and were thankful to be a part of sharing this time with the family. Thanks to all who were able to be a part. Remember this good family in your prayers and especially brother Danny.

We have started a new quarter at the BIM. Things are going well and the students are all doing a good job. We appreciate these good men for their hard work and their willingness to train in the things of God and to give their lives to these years of intense study. Please keep them all in your regular prayers.

Finally let me encourage you all to enjoy this beautiful time of the year. Hopefully we will all be encouraged with the beauties of God's creation during this time of the year. Let's also use this time to get our and interact more with our neighbors and friends. May those around us always see the love of Christ in us and their need to know our God and to follow His will. May we never forget the importance of our daily Christian example as the children of God.

Well, I hope to see you all this Wednesday for our mid-week gathering. What a blessing and joy it will be to gather as God's people and to worship Him. I love you all!

Elders' Corner:

“The church has changed. She has trimmed her ways to please the world. We have learned how to preach and not upset the sinner nor offend the world. We have our budgets and buildings and we cannot afford to loose worldly, ungodly members. Righteousness has always been despised by the world. Jesus said, the suffering of the prophets testified to it. Our biggest problem is that we are not only in the world, but we are of it. Unless this is changed, we will end as Israel did, in complete apostacy.” Franklin Camp

Brethren, let us all commit our lives to protect our families and Kansas Expressway from the forces of evil in our world and in the church and remain "faithful to the end" so that we may receive the crown of life.

We had an excellent attendance at our Monthly Friday Game Night this past Friday. Why not come and be with us and enjoy some great fellowship together. Hope to see you at the event next month.

Remember our sick and shut-ins with cards, visits and prayers. Also, special prayers for the Nothwehr family in the passing of Sharon. A memorial was held this Tuesday here at K.E.

An opportunity for you to make suggestions for future leaders of the church is still open. Please submit all names in writing and please sign the proposal.

Our love to all. Don't forget to put God first and be at all our worship and study periods if at all possible.
