Bulletin

Ray's Remarks:

Hello dear brethren,

Here we are at the end of October and another year of life has almost come and gone. How blessed we are as God's people and how much we have to be thankful for in our daily lives. I hope we are all making the most of every day and that we are using our time to be of more service to God.

It was good to have the update on the good work in Ghana that brother Brent and Trey did. I really appreciate them going and I know it meant a lot to the faculty, students and brethren there. I'm not sure many of you realize just how important these trips are to keep things running smoothly, to make sure everything is going well, and to encourage the brethren to keep standing for the word of God.

Dad and I also had a great trip to Zambia and I look forward to giving you all an update before too long.

As most of you remember we had to postpone our trips in the summer this year to the most recent trips we just took. Normally we do have trips in September and October. I also realize that Dad and I just got back, but we were able to enjoy a graduation of the Ugandans in Zambia and we were able to be a part of a graduate seminar. It was certainly a profitable and beneficial time for all.

Many of you also realize that we have some graduations coming up in November at our schools in Livingstone, Zambia and Aboaso, Ghana. We always have representatives at our graduation to speak and make sure that everything goes well. So that means that I will be returning to Zambia and then going to Ghana in November. I will only be gone for 18 days, but this trip is very important to be able to send our new graduates out into the field with a great encouragement and blessing from us all back home here.

Anyway, I always miss you all when I'm away, but I am in a place in life where the Lord seems to be able to use me more and more to accomplish His will in Africa, as well as here in the U.S. I feel blessed to be able to go and feel obligated to do what many are unable to do so that more and more souls can hear the saving Gospel of Jesus Christ.

I also always appreciate all the love and prayers. Your support and encouragement makes it a lot easier to do what has to be done and to be away from my family and all my loved ones. I leave November 5 for Zambia.

I love you all and hope to see you tonight, as well as Sunday when we gather to worship God. May God continue to richly bless us all as we serve Him.

Ray Sullins

Daniel answered and said:

Blessed be the name of God forever and ever,

For wisdom and might are His.

And He changes the times and the seasons;

He removes kings and raises up kings;

He gives wisdom to the wise

And knowledge to those who have understanding. Daniel 2:20-21

Give Me Living Water

(John 4:5-26)

Jesus came to Samaria, on a hot and humid day. Being tired from His journey, at Jacob's well He would stay.

A Samaritan women came, to draw water so cool and clear. Jesus said, "Give Me a drink" as the woman stood very near.

Sir, you are a Jew, and with Samaritan's they do not deal. If you knew the gift of God, I would give living water that will heal.

You have nothing to draw water, so what water do you have to give? The water I have is spiritual, so that one might forever live.

Give me this wonderful water, that I may never thirst again. "Go get your husband," but she couldn't, for she was living in sin.

Sir, I think you're a prophet, should we worship here or there? A time is now coming, where God is worshiped everywhere.

God is truly a Spirit, with worship in spirit and truth He is pleased. So all must seek to worship, in spirit and truth on bend-ed knees.

I know the Messiah is coming, the Christ for all to seek. The One who you look for has come, the Christ that you seek it is Me.

And Jesus said to them, "I am the bread of life. He who comes to Me shall never hunger, and he who believes in Me shall never thirst." (John 6:35)

"He who believes in Me, as the Scripture has said, out of his heart will flow rivers of living water." (John 7:38)

Elders' Corner:

Greetings brethren,

We hope this message finds you well. It is hard to believe we only have two more months left in 2024. As I write this, I am reminded of the fleeting nature of life, and the ever-increasing speed with which "life" passes us by. James wrote "For what is your life? It is even a vapor that appears for a little time and then vanishes away." James 4:14 Cherish, embrace and enjoy life; but remember our goal, our reward is in the next life.

We were encouraged by Brent's report Sunday afternoon on his and Trey's recent trip to Ghana. It is good to hear and see the results of our labors in Africa. Keep all the African schools, as well as the Bible Institute of Missouri, in your prayers. Pray for instructors, the students, and the lost worldwide. Also, remember Ray in your prayers as he will be leaving next week for graduations at the schools in Zambia and Ghana.

Keep our sick and bereaved in your daily prayers. Remember Danny Nothwehr in the passing of Sharon, as well as the Lees, the Martins, Mary Patchell and Edith Sullins. Cards, notes of encouragement and visits are other ways to show our love and care for our members who are hurting.

Thank you to Clyde and Robbie for hosting the annual cookout recently. There was a good turnout, and it was a wonderful time of good food and fellowship. Thanks also to Easton Hass for leading our devotional thoughts.

If you have names for potential leaders here at Kansas Expressway, please turn them in to one of the elders. Also remember that this Wednesday is our 5th Wednesday Devotional. All ages will be in the auditorium for an extended period of song, prayer and study.

We look forward to seeing you at our next scheduled assembly.
